DETECTIVE ESOLA OFF TO PENITENTIARY

SAN FRANCISCO, June 15,-Former Detective Frank Esola, convicted of swindling in connection with an Italian bunco ring, will be wearing stripes at Folsom penitentlary when he sits down to supper this evening. Esola was taken quietly out of the county jail here early today and with Deputy Sherift Fred Gleason in charge, left for Polsom

Before leaving the jall Esola was allowed to bid good-bye to the five other former officers now serving entences in the jail for conspiracy to obstruct justice. The little crowd of orisoners was very silent as Esola shook each one by the hand.

It was "good-bye, boys," and "good-bye and good luck, Frank," and then Esola set out on his trip to the prison, where he will serve three years, if he is a good prisoner. His term is five years.

Believes This Will "Cure Lung Troubles"

"Cure Lung Troubles"

Consumption is a nattering disease—that is one of its chief dangers. Those who have it are rarely willing in accknowledge the fact. If this trouble is present, it is no time for triting. If a so-called "cold" has long persisted; if a cough is present that keeps you anatona, or any of the symptoms are present, such as fever or night awaris, weakness and loss of appetite, and perhaps some raising of micros—do the sensible thing;—take Erkman's Alterative—as Mr. Bettersworth dist.

Rowling Green, "7", it No. 4. "Gentlemen: I wish to say for your Alterative that I believe it to be a medicine of unequaled value for all Bromchist and Long Prouble. The Spring of 1998, I had a severe cough for six months. I tried all the medicine that my doctors recommended to me, but no results came for the better. I had night awards, and would cough and again until I gut so week I could hardly do anything. But, it isst, James Descring, of Glasgow Jameton, Insisted that I try your medicine. In one week's time there was quite an improvement in my conditions and after I had taken several bottles, I feit as well as ever in my iff.

"I desire the world to know that I firmly believe that your kekman's Atterative will cure any case of long trouble if taken before the last stage. I will gladly write personally to any party wanting the formation in regard to your wonderful medicine." (Sworn Affavit)

Eckman's Atterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in uphuliding the system. Does not contain tolsoms, ophites or habif-forming drugs. Ask for bookiel telling of recoveries, and write to fee kman Laboratory, Philadelphia, Pa. for more evidence. For sale by all leading drugsists.
