

THE QUARREL

BY ELSIE ENDICOTT.

wouldn't go waiking too far," said old Uncls Robert, as a girl of 20 passed him on her way down to the gate of the farm-

"And why not?"
she asked, as she almost came to a pause.
"Well, according to my idea its going to rain and snew and blow and hall, and when the storm does break, she's going to be a buster. You live in the city, and odn't know anything about the storms we have out here. I've seen it when we didn't have a train along for four straight days."

"I wanted to go to the postoffice to mail a letter."

"It's three miles there and back, and if I was you I'd put it off. Mebbe somebody'il be passing that you be somebody'il be passing that you ask her mind, ch?"

"Something on her mind, ch?"

Ing, you know, and we are going to have the awfulest, biggest, nicest dampter, biggest, nicest dinner anybody ever set down to. It's come the properties of the neighbor of th

"Sure as ducks,"

"Go on! It's probably a letter to her ma, though I didn't see it nor ask. I hope she didn't start for town. It's poing to sterm for sure, and there hain't but one house on the road where she could find shelter. Look down the road and see if you can see

bedroom and laid on the only hed, and when her wet clothing had been removed and the was between the sheets, the woman got a cloth and a bash of water and washed away the Thanksgiving table.

"I don't think she's bad hurt. She's advanced. The storm grew flercer as the night fust fainted away with the scare of it. When she opens her eyes I'll tell her to go to sleep, and she'll be all right in the morning."

"Do you think le's to the stranger:

"Do you think le's to the stranger:

"The storm grew flercer as the night advanced. The girl woke and then sleep, and the lover had long hours in which to ponder and think."

"When another to go to sleep, and she'll be all right in the morning."

right in the morning."

"Do you think it's some young lady from the village?" asked the stranger of the farmer as they talked in whispers in the outer room.

"No, I don't reckon so. I reckon it's that new girl that arrived at Turner's a few days are. I saw her with the village of the stranger of the farmer as they talked in whispers in the outer room.

"No, I don't reckon so. I reckon it's that new girl that arrived at Turner's a few days are. I saw her with the vietle of the storm nor many the same of the

ner's a few days ago. I saw her going towards the village two hours no longer in bed, and the rescuer no longer cared about the weather, and the farmer folks looked at each other and smiled and whispered:

"Even if we had toward."

PLAN TO CHECK HINDU INVASION

of immigration Camtnetti made today a far-reaching amendment to the immigration regulations.

The modification authorizes immigration officials at mainland ports "to reject allens coming from insular possessions unless it should appear that at the time of entry thereto they were not members of the excluded classes or likely to become public

cases of three Hindus who arrived at San Francisco from the Philippines and were detained on the ground they Fleager 80, 76—156. might become public charges. The circumstances of this case

caused Secretary Wilson to order the admission of the Hindus today.
