FAVOR IDEA OF MEDFORD ROSE

To the Editor: That was a good suggestion in the Mail Tribune of Wednesday about having Medford adopt an official rose. Mr. Perry and myself will gladly do all we can to cooperate with ladies of the Greater Medford club to further the movement and suggest that between now and July 4th that any resident of Medford bring in the choicest single rose that in the estimation of the grower should be selected for the honor, we will provide a table and be responsible for any vase left with us containing the rose. We suggest that the Mail Tribune send over a ballot box and let the public come into the Exhibit building and cast a vote for his or her choice of the different varieties known. Furthermore we will give two prizes of \$2.00 to the first choice and \$1.00 to the second choice and will keep on exhibition these two varieties as shown by the largest vote cast for first and second choice, thereby letting the public see what a beautiful rose can be grown in Medford. Please suggest that only one rose be brought of any one variety and left with the name of the rose and the person growing the same. This person will be given a receipt with number corresponding to the number on the rose. A. K. WARE, Secretary Medford Commercial Club.

TRAVEL TOURS AT THE PAGE

GH's Travel Tours, to be given at the Page Saturday and Sunday, is certainly the last word in artistic moving picture photography. Real interest and intellectual stimulation mark the whole two hours of entertainment. From the first number on the program, which is a comic jumble of letters finally evolving themselves into a request for the ladies to remove their hats, to the last, a magnificent representation of the famous land of the Midnight Sun, with views of monstrous icebergs such as destroyed the Titanic, the production is a triumph for its producers. A kaleidoscopic procession of scenes pass before the eyes that is entrancing and the best of it all is that nature is presented in her original colors, while at the same time you hear perfectly rendered all the proper accompanying sounds, the rush of torrents, the cry of birds, human voices, and the slithering of the wind. This is accomplished with clever apparatus and the assistance of two skilled ventriloquists. From a journey through the lovely Italian Alps varying in their scenes of fairy beauty and rugged grandeur, we pass to the activities of gigantic slate quarries where we see the process of making roof slate, billiard table boards, etc. Next comes a wonderful picture of the Victoria Falls on the Zambesi river, Africa, the Dark Continent so full of mystery and lure and shown in all its original charm.

NEW TODAY

A person always has a few "best buys," and here are some of mine, and ones that I have investigated thoroughly:

1—A good little home, house well built and neatly painted, in the best part of the slightly addition, Slakyou Heights; the lot is well improved and the lot worth the price asked for the whole place; \$750, terms.

2—Twenty acres of dandy pears, irrigated by deeded water right; no better land or neighborhood in the valley; \$200 per acre; terms.

3—Seven hundred sixty acres of stock ranch, good fences and buildings, seventeen acres of pears on the tract; the stock goes with the place; ideally located as to town, roads, stream and outrange; there is no use to go hunting around over the coast country for a stock ranch when this one can be had with 18 head of horses and other property, such as implements, for \$23 per acre; terms. Room 12, Jackson County Bank bldg.

WHY?

Full bearing pears in ten-acre blocks. Few of these blocks must be sold at once. Will give you choice of 170 acres. Comice, De Anjou, Bartlett and Bosc. Just 2 1/2 miles west of city limits on Jackson creek. Best of deep black soil; best neighborhood; good road; good building sites. This is a commercial, dividend paying proposition. Two ten-acre blocks will be sold at just half price. This is the best I have ever offered you. Investigate this now.

WEIGHT PROBLEM DISTURBS ANDERSON

LOS ANGELES, Cal., June 20.—Bud Anderson, the sensational lightweight, is taking it easy today, waiting for the weight problem to be settled before going into training. Leach Cross, the fast New York dentist, who meets Bud on the Fourth of July, is taking light exercise, but has not yet begun serious preparation for the match. Bud demands 133 at noon, while Cross is holding out for ring-side weight, or 133 at 10:00 A. M. on the day of the battle.

"If Anderson can't do 133 ring-side," said Cross manager, "let's either have a lightweight or welter-weight battle and make it 133 at 10:00 o'clock in the morning."

Dick Donald, manager for Anderson, demurred to this, claiming he signed for the match with the understanding that the weight was to be made at noon.

Promoter McCarey is expected to straighten out the tangle today.

LIVESTOCK INTERESTS APPEAL TO GOVERNOR

SALEM, Ore., June 20.—Taking the stand that Oregon's livestock industry is threatened by spread of contagious diseases, the new livestock sanitary board today has resolutions for presentation to Governor West asking that proclamations be issued. One is to require the immunization of all swine imported in to the state, the other the testing of horses, mules and jacks for the
