

FACTS UNCHANGED BY ASSERTIONS OF WILSON SAYS M'NAB

SAN FRANCISCO, Cal., June 25.—After United States District Attorney John L. McNab had received President Wilson's acceptance of his resignation, he issued a long statement, in which he said, in part: "The president has accepted my resignation, and the incident is closed. Even the eminent respectability of the president and his fulsome but necessary certificate of character to his attorney general cannot change the facts."

"If the attorney general can declare men innocent in spite of the overwhelming evidence submitted to two grand juries, he can easily declare men guilty against whom there is no evidence."

"If it was right in May to tell me to proceed, it is wrong in June to tell me to stop. If it was right in June to tell me to stop, it's now wrong to say that the cases must immediately proceed. Today I am driven to quit this office because my self respect will not suffer delay. Tomorrow the admission will hastily proceed with the trial because it fears it will lose the public's respect."

Before the announcement that McNab's resignation had been accepted, the members of the federal grand jury, which originally indicted officials of the Western Fuel company, sent a long telegram to President Wilson strongly upholding McNab and denouncing Attorney General McReynolds for his action in ordering a postponement of the trial. The message said in part: "We cannot refrain from expressing our protest that after ten days of earnest labor, devoted to consideration of the evidence against these defendants, our work is swept away by the autocratic act of an administrative official. This grand jury, reposing the highest faith in your rectitude of purpose, appeals to you to publicly discontinue the action thus taken and to uphold the hands of the United States attorney in a vigorous prosecution of all the defendants without fear or favor."

POSTAL TELEGRAPH ENLARGES OFFICE

The gang of carpenters, plumbers, painters and linemen who have been employed on the enlarging and remodeling of the Postal telegraph office in the Nash Hotel building for the past few days have almost completed their labor and the office is now large enough to properly handle its rapidly increasing business.

The Postal began competition here with the older company for the telegraph business as early as 1892, when not more than 1500 persons comprised Medford's population.

Medford patrons of the Postal have always had the pleasure of having a lady manager to handle their messages, every Postal agent here from the time of the late Miss Katherine Van Dyke, who was the first agent up to the present manager Miss Cameron, being of the gentler sex.

The office is finished in beautiful Oregon pine from the floor to a point six feet up the walls, from whence handsome old gold wall paper extends to within twenty inches of the ceiling, where a border of white, with a watered satin effect matches the ceiling, the whole combining to make the office one of comfort and pleasing to the eye.

LANE TO BEAR CLUB'S INVITATION TO LAKE IN MIND

Secretary Ware, of the Commercial club, has received the following reply from Secretary of the Interior Franklin K. Lane, in response to the club's invitation to visit the Rogue River Valley and Crater Lake as guests of the club:

Washington, June 18, 1913.

Dear Mr. Ware:

Thank you and the Medford Commercial club most heartily for the invitation of June 12th to visit Crater Lake and the Rogue River Valley. I wish that I could make a definite acceptance at the present time, but my plans are rather uncertain and I can not do so. However, I shall bear your invitation in mind.

Cordially yours,
FRANKLIN K. LANE.
Mr. A. K. Ware, Secretary, Medford Commercial Club, Medford, Ore.

DAYLIGHT FIREWORKS AFTERNOON OF FOURTH

The report that Medford was considering abandoning the July Fourth celebration in favor of Grants Pass was erroneous and at the meeting of the committee last night it was found that no member was in favor of such action.

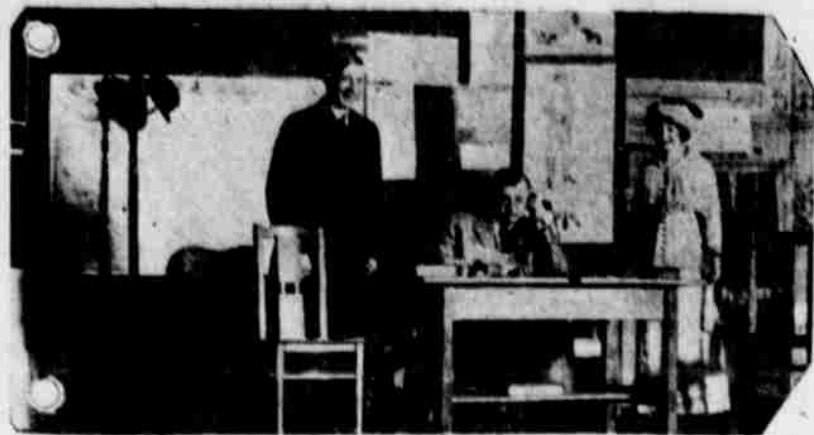

Montage will send a baseball team and a large delegation for the celebration and a rip roaring time is assured. It was decided last night to have daylight fireworks on the streets in the afternoon, the illuminated Mardi Gras parade taking the place of fireworks in the evening.

There will be automobile races on Central avenue and a number of novelty races as well as horse races at the Fair grounds.

Arrangements have been made with the Southern Pacific to run a special train from Ashland north late that night to accommodate the visitors from out of town.

Five hundred dollars have been offered for prizes in the Mardi Gras parade, 100 school children will march and there will be a baby show which promises to be one of the most interesting features of the day.

HOOD RIVER GROWER MISBRANDED FRUIT

PORTLAND, June 25.—While Tim Pearson of the firm of Pearson, Page & Co., was given the minimum fine of \$25 yesterday afternoon by Judge Jones of the district court on a charge of selling misbranded fruit, R. H. Webber, an extensive orchardist of Hood River and a member of the State Board of Horticulture, who consigned the fruit to Pearson, Page & Co., will now have to appear in court to answer charges to be preferred against him by State Dairy and Food Commissioner Mickle.

Mr. Mickle will probably leave today for Hood River where Mr. Webber will be charged with branding "fancy Oregon Royal Ann Cherries," when they were not up to the standard in quality and ripeness, it is said. This will be the first charge of this nature brought against any of the Hood River growers.

Although Judge Jones found the commission merchant technically guilty he stated that he thought the grower to be really the guilty person and instructed the commissioner to go to Hood River and file the charges against Webber.

PRICE FOR CHILDREN AT PAGE THEATER IS REDUCED TO 15c

The management of the Page theatre announces that beginning today children under 12 will be admitted to the matinee performances of Pantages for 15 cents. As the bill this week promises to be an unusually interesting one a record breaking crowd of young people are expected to attend.

FORMER OREGONIANS PICNIC AT OAKLAND

Something like a score of former Southern Oregon residents, whose homes are now in and around the Bay Cities, had an informal picnic and reunion at Mosswood Park, Oakland, Cal., on Saturday afternoon, June 21st. It proved a most enjoyable affair and many old neighbors, who had not met for years, had a most delightful visit together.

The happiest event of the meeting was the announcement that one of the party, Hon. Theodore Cameron, a resident of Jackson county, Oregon, and a former state senator of the Oregon legislature, was 84 years old this day. Mr. Cameron is hale and hearty and received the congratulations of his old friends in a few felicitous remarks.

It was voted to meet again at Mosswood Park on July 19th at which time all former Oregonians are invited to be present to get acquainted and to have a good time.

Among those present were Mr. and Mrs. J. Nunn, Mrs. Josephine Russell, Mr. and Mrs. John W. Howard, Mr. and Mrs. I. S. Paley, Mrs. Alice Kane and grandson, Mrs. Wm. Lange, and daughter Miss Dorothy, and nephew Frankie Krause, Mrs. J. F. White, Mrs. Johns, Mrs. R. B. Hatton, Mrs. Dahl, Mrs. Stratton, Hon. Theodore Cameron, W. T. Cope, A. F. Eddy and N. A. Jacobs.

PORTLAND, Ore., June 25.—Forecast: Oregon and Washington, showers tonight or Thursday; winds mostly westerly.

HUGH DICKSON LEADS IN VOTES AS OFFICIAL ROSE

Apropos of the rose contest, the Hugh Dickson seems to be gaining in popular favor. It is a deep rich red rose, very well adapted to conditions in this locality.

It is sort of between seasons for this variety just now so that the specimens seen at the Exhibit building are not up to the standard in size.

Forty varieties of roses are on exhibit and everyone is urged to look at the display and vote for his or her choice.
