COUNTY PAIR BLOCK 1915 AUTO CONTEST

LOS ANGELES, Cal., June 27.—With the final refusal of Santa Clara and San Mateo county officials to allow the contestants in the Peninsula Pacific automobile race from Los Angeles to San Francisco on July 6, in which fifty cars are entered to race through those counties, it is decided today that the speed part of the race will end at Stockton.

The race will end in San Francisco but it will be a tour for the last one hundred miles. Since it will not be a speed contest from Stockton to San Francisco, it is possible that the winning car may go on into San Francisco instead of stopping at Tanforan.

EAGLE POINT EAGLETS

Mrs. J. H. Lee, wife of the foreman in charge of the Cooley place, just above town, went to Medford last Monday on business and was met here by her husband in the afternoon with three interesting little children and while here gave me his subscription for the Daily Mail Tribune.

Mr. Kelly, who was formerly superintendent of the government hatchery at the mouth of Elk creek, on Rogue river, and has for some time been in South America, paid our town a visit last Monday. He expressed his surprise at the growth and improvements in our town.

Last Tuesday our oldest daughter, Mrs. James M. Lewis, who has been visiting us for a few weeks, returned to her home near Pendleton. Mrs. Howlett, Hattie, Miss Loretta Childers and myself accompanied her as far as Medford, and after I reached that city I decided to accompany her as far as Grants Pass and let Dr. Findley give me another electrical treatment for my eyes. On my way down the river I could not help noting how well everything in the vegetable line, including the fruit, looked. There was considerable hay cut, some in the swath, some in the windrow and some in the shock and in some cases the new crop of alfalfa was almost covering the shocks along the route that is likely to be badly damaged by the continuous rain, but the standing grain surely looks fine.

While I was in Grants Pass I, as usual, met quite a number of Californians at the doctor's office that came in for treatment for eyes, ears, etc., among whom were Miss Irene and Miss Ethel Ackerman of Yreka, Mrs. George Height of Little Shasta, California, Mr. and Mrs. O'Connor and daughter, Miss Phoebe of Montague. Miss Phoebe was there having a hearing performed for mss-tota.

WHY?

Full bearing pears in ten-acre blocks. Few of these blocks must be sold at once. Will give you choice of 170 acres. Comice, De Anjou, Bartlett and Bosc. Just 2 1/2 miles west of city limits on Jackson creek. Best of deep black soil; best neighborhood; good road; good building sites. This is a commercial, dividend paying proposition. Two ten-acre blocks will be sold at just half price. This is the best I have ever offered you. Investigate this now.

J. C. BARNES, First National Bank Building.

While I was in Medford I was met by a gentleman who was circulating a petition asking the county court to call an election to vote road bonds and he suggested that I mention in my Buletts that we all will have to register before we can vote or sign a petition and as we are going to have a school meeting long to vote on the tax question it would be a good idea for us all to register so as to be ready.

James Yastal, a young man who has been attending school at Central Point, but lives on Reese creek, was in town Wednesday. He says that he is going to the top of the ladder before he quits school. Good for Jimmie.
