

### FAMOUS LECTURER TO SPEAK HERE

Rev. Wm. J. A. Hendrick who for 46 years has been a member of the New York Missionary Union delivering scientific and religious lectures in many localities is at the Sacred Heart hospital and will probably lecture here under the auspices of the Knights of Columbus. Speaking of his lectures, Father Hendrick says: "Our lectures were always free to everybody. Devoid of any bigotry, narrow-mindedness or controversy, simply explaining the great truths to the people. In 1904 I lectured in the opera houses of Ashland and Jacksonville to very large audiences for a whole week every evening. I would have lectured here, but I had to cancel it here, because I was called east at that time.

"Owing still a lecture here I may deliver it, if under the auspices of the Knights of Columbus a convenient hall can be rented.

The following important questions are handled in the lectures:

Are our stars, planets and comets inhabited by human beings?

Will the end of this world be brought about by the collision with a comet?

All about Darwinism, Spontaneous Generation Theory, Transmutation of Species, Survival of the Fittest, etc.

### MORMONISM MENACE TO OUR INSTITUTIONS

PORTLAND, Ore., July 2.—While Rev. Robert F. Coyle, of Denver, was bitterly assailing Mormonism to an audience of 19,000 people in the Multnomah stadium last night, during the sessions of the World Christian Citizenship conference, a number of representatives of that church with the permission of the authorities, were passing out literature of their cult, purporting to refute the declarations of the speaker. Rev. Coyle's address was delivered to the accompaniment of coins dropping into the contribution boxes to provide funds for the fight against Mormonism.

"I am not here to call into question the integrity of the Mormon people," said Rev. Coyle, in the course of his address. "Whether they are good or bad is a matter that doesn't enter into the discussion.

"Mormonism as a cult, or a religious body, touching the life not only of communities, but of the nation, is something of an entirely different complexion. I hold and shall show that Mormonism by its teachings and its practices, is a menace to which as Americans, as patriots and as Christians we cannot be indifferent."

Rev. Coyle's address was incessantly applauded and at its conclusion a resolution condemning Mormonism was adopted by the assemblage.

### BEAST MAN RUINED HIS OWN CHILDREN

Deputy Sheriff Hughes, of Siskiyou county, tells of the arrest at Klamath Falls of R. D. Tappan, a teamster, who has been taken to the Siskiyou county jail for trial charged by his wife and mother-in-law and children of the most atrocious crimes ever recorded—that of incest upon his three daughters, aged 18 months, 6 and 9 years. The crimes were committed while the family were camped near Montague. The arrest was made at Klamath Falls for attempt to commit similar crimes, but as the California law is stronger than that of Oregon, and the crime was committed there, he was returned to the Golden state for trial. Examinations by physicians show the baby is a wreck, injured so internally that it cannot live. The other children have been crippled for life by the father's bestiality. The mother, a frail and slender little woman, tells a story of cruelty and hardship almost unbelievable.

### VAUDEVILLE BILL AT PAGE THEATER TODAY

One of the best vaudeville shows yet offered by the Pantages circuit is the promise made for today's bill for the weekly vaudeville menu at the Page theater. Word was received Tuesday by Managers Fuson and Gordon from Eugene that this week's bill made a big hit with the people of that city. For the matinee performances children will be admitted for fifteen cents, but the regular night prices will be enforced.

### LANE SUMMARILY REMOVES ARANT

WASHINGTON, July 2.—W. F. Arant, superintendent of Crater Lake national park has been removed by Secretary of Interior Lane. Arant's resignation was requested. Will G. Steel having been appointed, Arant claimed the position was under civil service in which he was supported by the commission. Secretary Lane differed and removed Arant, whose recourse now will be to carry the matter into court.

KLAMATH FALLS, Ore., July 2.—Will G. Steel, the newly appointed superintendent of Crater Lake national park has gone to the park to be on hand to take charge of affairs today. Superintendent Arant recently visited the park and placed a man in charge of the headquarters. Arant is also there to take up the work for the season. He will not turn the park over to Steel until his case has been decided by the civil service commission, and if the decision of the commission is unfavorable it is likely he will take an appeal to the higher courts.

It is not believed that Steel will try to take forcible possession of the park, but in the event he should make such endeavor he is expected to meet with resistance on the part of Superintendent Arant.

### AMERICAN DEFEATS AUSTRALIAN AT TENNIS

LONDON, July 2.—Maurice E. McLoughlin, of San Francisco, the American tennis champion, today defeated Stanley S. Doust, the Australian crack, in three straight sets in the competition for the Davis cup at Wimbledon. The scores were: 6-4, 6-4 and 7-5.

McLoughlin's victory over Doust means that he will meet A. F. Wilding, the English champion, for that title. Many Englishmen who have watched McLoughlin playing against J. C. Parke, H. Roper Barrett and Doust, predict he will relieve Wilding of his title.

### FOURTH PLANS ARE NEAR TO COMPLETION

Committees in charge of the 4th of July celebration have about completed their plans for the day, and indications point to one of the most successful celebrations in the history of southern Oregon. The out of town attendance will be large, including large delegations from northern California points, the Apollon district, Ashland, and points along the P. and E. The Southern Pacific and other railroads will inaugurate special rates for the day. Jacksonville citizens will celebrate the day in Medford.

Ladies of the riding clubs who will appear in the night parade were out practicing last night, and have become proficient in the part they will play. The school children who will march are also being put through a daily course. The races at the fair grounds, the Montague-Medford ball game, and other sports are arousing considerable interest.

A promise is made by the weather man that the weather will be fair. Already some of the business houses are beginning the work of interior decorating, and this feature of the day will all be completed by Thursday night.

### DECIDE YOURSELF

The Opportunity Is Here, Backed by Medford Testimony.

Don't take our word for it. Don't depend on a stranger's statement.

Read Medford endorsement. Read the statements of Medford citizens.

And decide for yourself. Here is one case of it:

A Betz, 139 Front St., Medford, Ore., says: "I am just as welling to recommend Doan's Kidney Pills today as I was in September, 1907, when I publicly told of my experience with them. I suffered from kidney trouble for at least five years and as time passed, I grew worse. Sharp pains darted through the small of my back and sometimes the attacks were so severe that I could hardly stoop. At night by back ached intensely and sound sleep was out of the question. Being told to try Doan's Kidney Pills, I got a supply and they soon gave me relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### ORCHARDIST LOSES \$2000 IN SWINDLE

PORTLAND, Ore., July 2.—An alleged race swindle in which \$2,000 was secured from an Idaho orchardist, whose identity is being kept secret on reluctance to prosecute, is revealed here today in the filing of a grand larceny complaint against Hugh Trainor, alias Charles Clark, C. S. Fisher, and a man designated as John Doe.

The reputed swindle was accomplished five weeks ago when the orchardist became acquainted with the three men, one of whom was accredited with being an authority on matters pertaining to racing events.

After a few small wagers had been made and won by the orchardist, a bet of \$2,000 was suggested, but on account of the orchardist being unable to cash a check in Portland, he is reported to have made the trip to his Idaho home to secure the cash. Returning several days later the bet was made and lost.

The orchardist's wife learned of the wager and reported it to the police through a friend.

Trainor, one of the alleged swindlers, was recently in the custody of the San Diego police, according to the authorities here.

### CLEVELAND VOTES HOME RULE CHARTER

CLEVELAND, Ohio, July 2.—Complete returns from yesterday's balloting on a new home rule charter, shows that it carried by a substantial majority. The commission of fifteen is headed by Mayor Newton D. Baker, who framed the new charter. It provides for the initiative, referendum and recall, a short, non-partisan ballot, a preferential system of voting, and municipal ownership of public utilities.

### NO OFFICE SOUGHT BY JANE ADDAMS

NEW YORK, July 2.—"I do not desire to be a candidate for the mayoralty of Chicago," said Jane Addams, suffrage leader, economist and publicist, when she arrived here today on the steamer Olympic from her visit to Budapest as a delegate to the world's woman suffrage congress.

"The fact that friends have mentioned me for the mayoralty is a real surprise," Miss Addams continued, "and it really is hardly fair to expect me to answer now whether I would accept the nomination."

Then Miss Addams thought again, and spoke again.

"It is against our principles," she said, "that women should start office holding the moment we receive the vote. I think it would be unwise for the women of Illinois to accept or to seek public office until we have had a few years' experience as voters. At this time I should think I would refuse any candidacy for office. Yes,"—and she became more positive—"I repeat, even if I were nominated against my wishes I would refuse the nomination."

### GIRL TELLS MARQUIS TO GO GET A JOB

SAN FRANCISCO, Cal., July 2.—"Go get a job and then I'll marry you."

This is the answer given here today by Miss Emily Coulston, of New York, better known by her stage name of Theo Carew, to a proposal of marriage by Marquis Piero Martone, an Italian nobleman. The marquis, who has lost a \$3,000,000 fortune, started out early today in search of work.

"I shall make good before night," he told Miss Carew.

### HORSTHIEVES IN JACKSONVILLE JAIL

Deputy Sheriff Hughes, of Siskiyou county, Cal., who brought Lester Hicks, the young horstheif, back from Dorris, whose confession has resulted in the arrest of W. Z. Mynatt, Roy Wyatt and C. A. Wooden of Sams Valley, is convinced that the gang have conducted horse stealing as a profitable business for some time. He states that Mynatt is the ringleader and moving spirit in the enterprise. He was formerly a resident of Dorris and bears a shady reputation. Mynatt made a proposition before his removal, states Mr. Hughes, to parties in Dorris to work that end of the business. Mynatt to send animals stolen from Oregon and Dorris parties to send him horses stolen there.

Young Hickson has made a complete confession and says that Mynatt first started him on his career of horse-stealing years ago and has been the chief beneficiary of his operations.

### BANKER ARRESTED FOR WHITE SLAVERY

PORTLAND, Ore., July 2.—A. B. Conley, aged 80, millionaire La-Grande banker, is at liberty today on \$2,500 bail after being brought here from Boise, Idaho, on an indictment charging that in November, 1908, he brought Gertrude Williams, at that time a minor, to Portland from La Grande.

After being a fugitive from justice since the returning of the indictment in March, 1909, Conley surrendered about a year ago and was released on his own recognizance. Later a bench warrant was issued for him which resulted in his being returned here from Idaho.
