OBITUARY

NICHOLS-William Jackson Nichels was born in Douglas county, Oregon, October 23, 1862, and came to his death Friday. June 27, 1913,

being 51 years of age. The news of the untimely ending SCENC MARVEL of the life of William J. Nichols of Central Point, while on duty as goverament forest ranger near Carson, Wash., was a shock to his many friends throughout this country. He was known in every section of the valley and in fact was might what be called a pioneer, having spent the greater part of his fifty years in From boyhood up. Will (as he was will appear. ealled by old and young) believed in ance, and remember the kind words volcano, the terror of the Hawailans of encouragement, or some special favor done at the right time, but always as though he, himself, was the one getting the greatest pleasure therefrom. Many lessons could be learned from his life of unselfishness, for he was charitable, even to a fault; but without charity what profitith he, or what man is better by his having lived? We, his old friends will miss him but the loss to his family is far greater and to there we extend our heartfelt sympathy. Below will be found an account of the accident as given by Mr. Stabler the supervisor under whom he worked. and who accompanied the remains to in eastern amusement circles. Miss Central Point.
