HOPPERS TAKE TO EATING GREEN APPLES

Grasshoppers on the Austin Corbin ranch in the Antelope district, have developed a taste for green apples that beats that of the proverbial small boy. Samples of apples are exhibited from one inch to two inches in diameter, out of which the hoppers have eaten chunks as big as a boy would bite. The apples are those lying on the ground from thinning. So far the hoppers have not attacked the fruit on the trees.

The grasshoppers are worse this year than for many seasons and orchardists are resorting to poisoning them in great quantities, which seems the only effective remedy.

ELKS' CONVENTION PLEASURE SEEKING

ROCHESTER, N. Y., July 9.—The Elks' national convention was given over today to pleasure-seeking trips to points of interest in and about Rochester. Many hundreds of the delegates disported themselves at the Lake Ontario beaches. Tonight a grand display of fireworks will be given. The grand parade and carnival will be held tomorrow.

CHILD KILLED WHILE STEALING A RIDE

PORTLAND, Ore., July 8.—Vina Ferrigan, aged six, is dead today from injuries received when part of a load of wood fell from the wagon on which she was stealing a ride, crushing her little body. Her sister, Mary aged ten, leaped aside when the wood fell and escaped with slight injuries.

GRANTS PASS PAYS IN MERCHANDISE ONLY

Dr. J. D. Rickert and Mrs. Rickert have returned from a three day's outing with friends on the Applegate near Grants Pass.

"Farmers were much interested in what I told them of the Medford public market" said Dr. Rickert. "They have no way of disposing of their garden produce, eggs and small fruit except by taking them to Grants Pass stores, which pay no cash, only merchandise. As a result, some of the growers have a credit of a hundred dollars or more at the stores, in excess of their demands, and are tempted to buy more than they need. The contrast with the Medford growers, who use the public market to sell for cash is striking.

"The Applegate is a pretty valley and we enjoyed ourselves very much."

WILLOW SPRINGS TWIGLETS

Mr. and Mrs. O'Hara were inspecting their woodlands last Monday morning.

Regular Grange meeting July 12, at the school house.

Herman Purucker of Medford passed through the district several times during the week.

Mr. Lang was in the district inspecting his orchard.

Marion Adams of Central Point is cutting hay on the Braden ranch.

Every family of this district was represented at the Medford celebration on the Fourth.

Mr. Sistic's engine being the only high powered motor in the vicinity of Medford was used in the electrical parade.

J. R. Rowe of Medford has been visiting friends for several days.

J. P. Hoagland and family and Mr. and Mrs. Hugh Porter left early Tuesday morning for Portland. The party will make the overland in Mr. Hoagland' car and expect to be gone about a month.

Miss Jeanette Salade returned last Tuesday to her home on the Pacific Highway.

Mr. and Mrs. P. A. Bonnie, Mr. and Mrs. F. M. Palmer, Mr. and Mrs. Julius Burkholz, picnicked with the R. W. and J. W. Elden families on the Fourth. After a porch supper the party motored to Medford and enjoyed the parade and other features of the evening.

Mrs. J. W. Elden will entertain the Parent-Teachers' club at her home Friday, July 11, 1913. All are cordially invited to attend. Many a helpful topic is discussed during the afternoon. Time, 3 o'clock.

The Willow Springs baseball team won the game from Agate last Sunday. The score was 6 to 5, next week we hope it will be 65 in our favor of course. Next Sunday at Agate the game will decide the champion district players.

KANE'S CREEK

Mr. and Mrs. E. Higinbotham and the girls spent the Fourth at Grants Pass.

Mr. and Mrs. Crawford of Garden Row spent Friday in Medford, the guest of their son, Oris Crawford and family.

Mr. and Mrs. Householder spent Sunday on Sardine creek the guest of their daughter Mrs. Dusenberry.

Misses Katie and Maggie Foley returned home from Medford on Saturday evening at which place they spent the Fourth.

Haying has resumed again after the two weeks rain which caused a good deal of damage and loss to the hay.

Mrs. Heart and children of Eastern Oregon, are the guests of Mr. and Mrs. Lewis for a few days. Mrs. Heart is an old acquaintance of the Lewis's.

Mr. Kinkle of Savage creek was in this neighborhood Monday disposing of a fine lot of strawberries from his Savage creek ranch.

Mrs. Mardon spent Sunday with Braden friends.

Kanes Creek business visitors to Gold Hill this week were Mr. and Mrs. Lewis, Elmer Higinbotham and wife, Mr. Mardon, Mr. and Mrs. Householder, Mike Foley, Mr. Barber, Geo. Shrump, Mrs. Kuck, Mrs. Henderson and daughter Vira, Misses Katie and Maggie Foley and Weather Prophet Foster.

Prophet Foster forecasts good weather for some time.

Notice.

WHY?

If there is a bargain in real estate in any district the real estate man there who has been a live agent knows of it. If he knows values and is experienced in the business he can save his customers time and money.

To know the best buy and have it optioned at the bottom price is my stock in trade. Satisfied customers is my paid-up business policy. What have you to exchange? Watch my bulletin board in front of the First National Bank and see me.

Tuberculosis Remedy Based on Medicine

To say that a specific exists for the cure of Consumption is perhaps too strong a statement, but in Eckman's Alterative we have a medicine that has been the means of saving many a life to years of usefulness, and in permanently benefiting a large number of Consumptives.

Certainly a person afflicted with a wasting disease should be well fed with wholesome, nourishing food, but frequently raw eggs in quantities cause a digestive breakdown, and then no food nourishes. As for milk, a very good food for many, but a producer of biliousness for some.

Any diet that keeps a Consumptive well nourished is the right one, but what is going to improve the patient? Eckman's Alterative has brought about full recovery in many cases of Consumption. Let those speak who know. Here is one—

99 Savannah St., Rochester, N. Y.

"Gentlemen: On June 3, 1907, I was operated upon for Tubercular peritonitis at St. Mary's Hospital, Rochester, N. Y. After the operation my physician gave me up as hopeless. I was then urged by a friend to take Eckman's Alterative, which I did. My weight at the time was 72 lbs. I began to improve and steadily gained in health and strength. I now weigh 125 pounds, and am absolutely well. Believing I owe it to myself and others, I make this statement."
(Sworn Affidavit) EDNA FINZER.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever; Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists
