WHY?
If there is a bargain in real estate in any district the real estate man there who has been a live agent knows it. If he knows values and is experienced in the business he can save his customers time and money.
To know the best buy and have it optioned at the bottom price is my stock in trade. Satisfied customers is my paid-up business policy. What have you to exchange? Watch my bulletin board in front of the First National Bank and see me.
