The New Currency Bill

The revised currency bill provides for the establishment of 15 regional districts, the associations of national banks in these districts to be known as the federal reserve banks, the minimum capital stock of which cannot be less than \$5,000,000.

The central control of the reserve banks will be vested in a board of directors consisting of three cabinet officers, three men elected by the reserve banks and three men appointed by the president.

The new currency to be provided is limited to \$500,000,000. This is to be known as federal reserve notes and is to be loaned to the reserve banks whenever deemed necessary.

Every federal reserve bank must at all time have in its own vaults in gold or lawful money a sum equal to 33 1/3 per cent of its outstanding federal reserve notes.

Ammonia Bombs to Extinguish Fires

Frances has spent \$35,000,000 in planting trees on the watersheds of important streams. According to the Canadian forestry association 50 per cent of Canada is capable of growing nothing but timber crops.

Ammonia bombs are being tried out on some of the national forests for the purpose of extinguishing forest fires. They are said to have worked well in the case of brush fires where the fire-fighters find difficulty in getting near enough to the burning area to beat out the flames.

POLICE OUTWITTED BY MRS. PANKHURST

LONDON, July 15.—Scotland Yard detectives were forced to admit today that they blundered in their suffragette raid here yesterday on the London pavilion. Despite the announcement that Mrs. Emmeline Pankhurst, the noted militant leader, was arrested, it developed today that she escaped while other suffragettes were resisting the police.
