CATTLE \$8 TO \$8.60
HOGS \$9 TO \$9.40
SHEEP \$4 TO \$4.50

PORTLAND, July 21.—Receipts for the week have been: Cattle, 1304; calves, 133; hogs, 2256; sheep, 6372.

Cattle market last week steady to strong. Improved beef outlet had bullish effect on prices. Prime steer top \$8.00 to \$8.25 with bulk of steer sales at \$7.75 and \$8.10. Eastern Oregon steers at \$8.60 and cows \$7.75 featured. There has been a keen demand for choice butcher cattle especially cows and heifers. Sales were made in small quantities as the supply was comparatively short. Best cows \$7.75 to \$7.25, heifers \$7.25 to \$7.50, choice bulls \$5.50 to \$6.00 and choice light calves at \$9.00.

The hog market was steady to higher. One load of extra fine hogs sold at \$9.40 Friday morning, bulk of light swine sales \$9.15 to \$9.30. Sound packers have been liberal buyers on the market and the light run was quickly absorbed. Swine prices are apparently on a heavy basis at least for the present.

Sheep house business has been slow all week. Demand for both mutton and lambs has been light and the trade has shown no sign of improvement whatever over previous week's market. A liberal top is 6c as some very good stock sold at that price. Prime killing ewes at \$4.00, wethers at \$4.25 and yearlings at \$4.50 are extreme quotations in the mutton division.

PATTERSON HELD TO GRAND JURY

Charles M. Patterson, who last week secured a set of double harness from the Medford Harness company upon representation that he had purchased a half interest in the West side livery stable, and who skipped to Portland with it and a car of horses he had been advertising for sale, and was arrested at the metropolis and returned here Saturday, was given a preliminary hearing Monday before Justice of the Peace Glenn O. Taylor and held to the grand jury under \$1000 bonds.

TRANA ASSAULTS DR. J. M. KEENE

George Trana, superintendent of the city water works assaulted Dr. J. M. Keene late Saturday afternoon, striking him several blows. Dr. Keene grappled with and threw his assailant, but was pulled off by witnesses before striking a blow. As a result the doctor is wearing a slightly blackened eye. Both were before Mayor Eifer Monday who dismissed the case.

Trana, who was furiously angry, awaited an hour at the M. F. & H. building for Dr. Keene to come out of his office. As the latter started to get into his auto Trana, without saying a word, struck Keene on the eye. As they were separated, Trana shouted that he would kill his antagonist and raved wildly. The difference between the two occurred over Trana's shutting off the water from the Keene residence on

Oakdale for using it out of hours and fining him a dollar for it. Keene asserts that Trana admitted that he was entitled to use the water as the land extended through the block, facing both streets.

SHOWERS WILL END HOT SPELL

Relief from the present heat wave—the hottest of the year—is predicted by the weather bureau, which schedules showers and cooler weather for Monday night and Tuesday. Friday was the hottest day when the thermometer touched the century mark. However, the heat was more oppressive Saturday and Sunday, with only 96 for the mercury, because of greater humidity. Hundreds of Medfordites spent Sunday on the Rogue, Butte creek and other picnic spots, as well as those who escaped via the Elks Colectin excursion.
