The season for shooting deer begins August 1 and ends October 31. Many are getting ready for the annual hunt; but can kill no more than three deer, as the last legislature reduced the number. In shipping a deer in the state a tag must be attached to whatever part of the animal is shipped, hams, horn or hide.

MISS BURKE NOT PARTY TO ELOPEMENT

Miss Ruby Burke wishes it announced that she was not a party to the securing of a marriage license by Ralph Burgess, and had no date to elope with him, and that the romance, if any exists, is a one-sided affair in which she has no interest.

I knew nothing about his getting the marriage license, till the license had been secured, when I purposely left work early to escape him."

Fly Fishing. The greatest sport in the world—catching with light tackle the gamest trout in the world. Only the best tackle holds the king of the Rogue. We make a specialty of it. Only the celebrated "Backus" fly, especially made for Rogue river anglers, best tempts these magnificent trout and withstands their fierce lunges, their terrific dashes, their circus leaps. "Experience gained in six year's fly fishing has taught me that only the "Backus" stands the gaff. I use no other," says Judge E. E. Kelly, an ardent angler. This is the verdict of all anglers. Why Not Do This. You who are spoiling your temper and your health just now with the mercury fooling around the 100 mark, why not have a little bungalow as a summer home on the ocean shore where you can have the revivifying effects of the sea breeze to blow the cobwebs from your brain and microbes from your system. Even now, in your car, you can run over to Crescent City for a week-end and get results, but with the building of our railroad it will be still easier. Buy an ocean frontage lot now and build your home. You will then be ready when the transportation facilities are better. We can sell a lot facing the ocean near the famous "Pebble Beach," for \$250, and one block back from the beach for \$75.00. There are only a few of these and the price will be advanced shortly. We have other desirable property however in the Lauff and other additions. For terms, prices and other information, call on or write E. L. Kendall CRESCENT CITY, CALIFORNIA
