PICK SPELLACY TO OPPOSE HI JOHNSON IN '14

WASHINGTON, Aug. 21.—Tim Spellacy of Los Angeles is picked by the Washington end of the California democracy to be the primary choice to contest the governorship with Hiram Johnson next year.

That Governor Johnson will be re-nominated is the opinion of Representatives Stephens, Bell and Nolan, progressives, and indeed the whole California delegation here.

Representative Baker believes that the only possible chance of defeating Johnson is through an alliance of the Taft republicans with the democrats, such as occurred last year.

Monday morning the horses and back were all safely at home and the big hunt had been ended off.

Do you know the story? It is written with the blood of these martyrs on the imperishable pages of human memory. It needs no historian. It is immortal. So its reproduction, not in words, not in epic verse, not in inadequate paintings, but in graphic, realistic and thrilling pictures; pictures which proceed in direct sequence, which tell the story to you so that you are there centuries ago in the very city of Rome, immortal Rome; that is the inspiring spectacle which modern photographic skill affords you.

coming some time before them. He is here to recuperate his health and visiting relatives.

Last week Robert Lewis of Perist came out and stopped a few minutes at the Sunnyside, then proceeded on his way to Central Point, where he expected to meet his father from Spokane, Wash.

Mr. Waterman of Brownsboro came to town last Friday and took home with him a load of fruit box material.

The farmers are getting along very well with their threshing in these parts and they report that the grain is turning out full as well as usual.

The sightseers who are traveling the road to Crater lake are thronging the road now in almost every kind of a conveyance from an ordinary donkey with his long ears to the highest power auto, and a day or two ago a man passed through with nine persons in one wagon besides himself, and all of their baggage. I tell you, they looked as though they were simply packed in.

Fred Bellows, who has been living in Medford for a short time, decided that a country life would suit him best, so moved out last week.

Mr. and Mrs. R. G. Brown, who have been in Portland for a few weeks, returned home the first of the week, their son, Carl Taylor,

our daughter, Hattie, Miss Mabel Wansley and Miss Loretta Child-reth. They went in a Spaulding covered hack and had provisions enough to last them for four days—beside apples, pears, cabbage, beans, corn, etc. They are going for a time and they will have it. Miss Rosa Ayres has charge of the Sunnyside while she is gone.

Mrs. Charles Brown and Miss Maud Norteredge of Ashland were pleasant callers Tuesday noon. They were accompanied by Irvan Culbertson, the mail contractor from here to Lake creek. He has an auto to carry the mail and passengers.

Tuesday afternoon Mrs. Howlett started at 4:30 o'clock for Fort Klamath. She was accompanied by

To The Young Expectant Mother Women of Experience Advise the Use of Mother's Friend. There is a certain degree of trepidation in the minds of most women in regard to the subject of motherhood. The longing to possess in after contrived by the inheritance of a period of distress. But there need be no such dread in view of the fact that we have a most noble remedy in what is known as Mother's Friend. This is an external application that has a wonderful influence and control over the muscular tissues of the abdomen. By its daily use the muscles, cords, tendons and ligaments all gently expand without the slightest strain; there is no pain, no nausea, no nervousness; what was dreaded as a severe physical ordeal becomes a calm, serene, joyful anticipation that has its inspirations such as our foremost teachers of hygiene are striving to drill into the minds of the present generation. In almost every community there are women who have used Mother's Friend and they are the ones that recovered quickly, conserved their health and strength in this proleptic over families destined by every rule of physiology and the history of successful men and women to repeat the story of greater achievement. Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., 128 Lamar Bldg., Atlanta, Ga. Write them for their instructive book to expectant mothers. You will find Mother's Friend on sale by all drug stores at \$1.00 a bottle.
