SISKIYOU LAND TO BE OPENED TO SETTLEMENT

A letter under date of August 29, written by C. J. Buck, assistant district forester, and just received by H. B. Hendricks of this city, announced the success of Mr. Hendricks and others who have been interested in the opening to settlement of lands in the rough and ready country on the west branch of the Illinois river.

COUNCIL TO CONSIDER POLICE CHARGES TONIGHT

At the meeting of the city council tonight final disposition will likely be made of Councilman Millar's charges against Chief of Police J. F. Hittson.

TWO CAR OF RAILS ARRIVE FOR INTERURBAN LINE

With the arrival yesterday of two carloads of steel rails for the interurban railroad the Bullis company announce that the laying of rails on Main street will be started the last of the week and the electric railroad will be in operation by the middle of November.

Three more carloads are en route, the electric cars are ready for shipment and from now on work will be rushed toward the completion of the line to Siskiyou Heights addition from the corner of Main and Front streets.

The company has been at work for several weeks excavating the right of way where the cars will turn south from East Main and pass the Sacred Heart hospital. A large amount of rock has been taken out part of which will be available for the roadbed.

Although the Bullis company has made no announcement regarding the extension of the line west of the Nash corner, it is generally believed that the Barnum electric line will be taken over and electrified and eventually extended to the Sterling mine which is owned by the Bullis company and is to be extensively operated during the next two years.

A large force of men will be put at work on tearing up the pavement on Main street and laying the track so that traffic will be interfered with as short a time as possible.

J. J. BUCHTER AND MRS. BODGE MARRIED SUNDAY

"We've surely slipped one over on our friends this time" said J. J. Buchter of the Rogue River Electric company as he mounted the steps into the Pullman car at Ashland Sunday afternoon, to Mrs. Buchter, a few minutes before Mrs. Bodge, daughter of Mayor and Mrs. Elfert.

They boarded the Pullman car at Medford and with the aid of pennants, ribbons, shoes and banners and the Pullman porter and conductor, and almost every passenger of the car, did some extensive decorating of the berth Mr. Buchter had engaged. The decorations were planned by Sam Richardson. When the train pulled into Ashland everything was ready and the members of the decorating committee hid in the vestibule.

It was then Mr. Buchter remarked about slipping one over on his friends. With two suitcases he hid himself down the aisle till his eye suddenly saw what had been done. His suitcases slipped from his hand and his mouth hung open. Then the humor of the situation dawned on him and he began to smile.

To know the best buy and have it optional at the bottom price is my stock in trade. Satisfied customers is my paid-up business policy. What have you to exchange? Watch my bulletin board in front of the First National bank and see me. J. C. BARNES, Phone 120-J, First National Bank bldg.

WHY? If there is a bargain in Real Estate in any district the real estate man there who has been a live agent knows of it. If he knows values and is experienced in the business he can save his customers time and money.
