FOOTBALL SEASON FORMALLY OPENED

NEW YORK, Sept. 20.—With the Carlisle Indians playing Albright college at Carlisle, Pa., and the University of Maine meeting Boston college at Orono, Me., the 1913 football season today was formally ushered into the east. These two games are the first scheduled of any importance in the country, the big conference agreement having postponed even practice until today. The chief phase of today's minor contests was that King Football is making his formal bow to 1913 and that from today until the army meets the navy at the polo grounds here on Saturday, November 29, baseball takes a back seat—except for the time of the world's series—until next spring. The first Big Four college team to play, will be Yale. Next Wednesday the Wesleyan University eleven journeys from Middletown, Conn., to New Haven for its annual whipping. On the same day Cornell starts her season against Urbana at Ithaca; Carlisle will meet Lebanon Valley at Carlisle; Holy Cross meets Albright at South Bethlehem, Pa., and Maine will fight it out with Fort McKinley at Orono. One week later—on Saturday, September 27—will be offered the first big football card of the season, Harvard, Yale, Dartmouth, Penn, Princeton, Cornell, Brown, Syracuse, Carlisle, West Point, Amherst, Lehigh, Lafayette, Fordham and several other smaller university eleven will play against "sneaky pickin' openers." A startling combination of the oriental and the liberal was worn recently by Lady Constance Stewart-Richardson, who sailed on the Olympic for New York.
