BIXBY JURORS LISTEN TO ORATORY

LOS ANGELES, Cal., Sept. 29.—Floods of oratory surged today about the box of the jury that is to decide whether George H. Bixby, the Long Beach capitalist, is guilty of contributing to the delinquency of Helen Barker.

Attorneys for both sides delivered their arguments. They worked up teams, J. W. Bell and Ara Keyes appearing for the state and Oscar Lawlor Bell and Leontine Davis for Bixby.

Bell assailed the carefully advanced contention of the defense that Bixby was the victim of a black-mailing plot. Lawlor replied, attacking the character and veracity of the witnesses against Bixby and eulogizing the defendant.

When Lawlor had concluded, Leontine Davis, once attorney for the McNamara, took up the burden for Bixby and spent more than an hour in a patient, logical marshalling of evidence. Prosecutor Keyes was to follow Davis late today.

The case probably will go to the jury about 5 o'clock.

"Pape's Diapiesin" Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and acetate sour, undigested food, or have a feeling of dizziness, heartburn, flatness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes.
