CATTLE LOWER
BUT HOGS HIGHER
IN STOCK MARKET

PORTLAND, Ore., Sept. 30.—Receipts for the week have been: Cattle, 1422; calves, 19; hogs, 1983; sheep, 9965; horses, 26.

Hentiment in the cattle market has not been such as to warrant optimism recently. While receipts have not totaled so much as a week ago, there has been more than enough beef to supply trade needs. The \$8.00 steer has been displaced at least temporarily, and extreme top quotation is \$7.50 to \$7.75. Butcher quality failed to attain the high standard of six days ago and prices on cows were generally lower. Prime heifers at \$7.00, cows, \$6.75; bulls, \$5.50, and calves, \$9.00 are liberal price tops. Demand for any but choice finished cattle is slow and outlet very unsatisfactory.

Bumping the hog market is not proving as easy a task as buyers anticipated. No other explanation is needed than supply paucity. Statistically the market is 10 to 15 cents higher than it was a week since and prime light swine are resting around \$8.75. Some fairly good lots brought \$8.50 to \$8.60 and \$8.70 too, and smooth weighty stuff moved readily at \$7.50 to \$7.75. If receipts for the week had been larger perhaps a more active market would have held forth, but growers are not rushing to market as yet and liquidation is spasmodic. Of course hogs are beginning to carry more weight, as winter approaches and quality will be a better packing proposition eventually. Until receipts become steady enough to deluge the trade, swine prices have a good chance to range between \$8.00 and \$8.50.

Mutton and lamb liquidation continued liberal last week and there was so much real fat killing stuff in the run, buyers did not have the nerve to shade bids. Choice mountain wethers sold \$4.00 to \$4.25 and ewes at \$4.00. Packers took to the lamb offerings in great style, bidding \$5.25 for all the best ones. Peninsulas said the market would quickly subside to \$5.00 if too many lambs were liquidated this week, but they were disappointed. However, the trade is not so short handed on lambs and mutton as it was ten days ago and buyers may not manifest so much interest during the remainder of September if liquidation is abnormally large.

WEDNESDAY'S VAUDEVILLE
AT PAGE THEATRE

A review of Wednesday's vaudeville at the Page gives promise to a very pleasing bill. Most of the acts are of the dancing and singing variety.

To those who are fond of the melodies and memories of the Erin Isle no better advice could be given than to see and hear Charles Reilly and his able company in the latest playlet of the Emerald Isle, "A Bit of Old Ireland." Mr. Reilly is a wonderfully pleasing singer and actor and becomes from the "Old Sod," thus knowing the customs and ways of the ever-beloved race.

Known as the prettiest girls in vaudeville, the Connolly Sisters are certain to give a pleasing performance with their syncopated songs and their charming dances. They are as clever as they are pretty and their act is one of the hits of the program.

More comedy will be offered by Dora Early and Carl Byall, exceptional vocalists, who have an entertaining act of their own creation. Early and Byall hold the stage for 15 minutes and they have a record of creating laughs for almost every second of their allotted time.

The new show will be completed by

dancing on roller and ice skates. This will be offered by Lee brothers, who have been one of the applause hits of the bill en tour.

Mrs. Childers and Mrs. Tichnor will sing duets and solos.

APPENDICITIS OPERATION
FOR TWO IN ONE DAY

Two cases of appendicitis were operated upon Monday at the Sacred Heart hospital. The first case was that of Harry Cramer, day clerk at the Medford hotel, who was stricken Sunday night, and was operated upon Monday afternoon by Dr. E. R. Pickel. William Snyder was operated upon last night at seven o'clock by Dr. E. R. Seeley.

RIVERSIDE RIPPLES

Miss Bertha Woolverton, who is attending school in Medford spent Sunday with the home folks.

George Jacobs was a Medford business caller Friday.

Mr. and Mrs. W. A. Elliott, who are spending a few weeks in Medford, came out to their Riverside home Sunday. Their son, Frank Elliott, brought them out in his auto and all returned that evening.

Mr. and Mrs. R. C. Slead left Sunday for Chicago. They go by way of Los Angeles and New Orleans and expect to spend the winter in and around about Chicago. It is to be a combined business and pleasure trip. The neighbors and friends of Mr. and Mrs. Slead gave them a delightful surprise party Friday evening. About thirty came in upon them unannounced bringing sandwiches, chicken, salad, etc., and little gifts useful on their journey. A very pleasant evening was spent. Music and impromptu readings, the latter given by Messrs. Jones and Al Woolverton, were very much enjoyed. Their many friends hope that the trip will be of great benefit to Mrs. Slead who is in poor health.

Mrs. Richard Swacker returned Thursday from an extended visit with her parents in Idaho.

Mrs. Chas. Champlain and son, Elliott, were Medford visitors Saturday.

Mrs. G. B. Alden was hostess to the Riverside Recreation club Thursday afternoon. Each one impersonated a noted man or woman of history. This was conducted by Mrs. Jones and proved very enjoyable.

C. D. Woolverton had the misfortune to lose two fine calves the past week caused by over eating of green alfalfa.

Mrs. Jacobs and son George were dinner guests at the Rozalis ranch Monday.

A new coat of paint on sides and roof of the Rock Point school house makes it now one of the rightest school buildings in the country.

GRIFFIN CREEK

C. R. Henworth started Monday for the state fair.

Many of the school children attended the school fair at Jacksonville Saturday.

Mr. Rust, who had recently purchased the Scheble place, has moved out the place and Mr. Scheble has taken possession of same.

Al Leonard was on the creek last week and finished up all of the thrashing.

Mr. Hilman has been on the creek visiting relatives for the past few days.

Rev. Miller of Ashland, who started Saturday evening with his big Franklin car to make a flying trip to Williams creek, was going at a high rate of speed and owing to the lights being a little out of order, he struck a pile of gravel west of the old Hamilton place which caused the car to

skid and turn over in a deep ditch which was nearby. Mr. Miller was not injured but fell on his face, which was a little unpleasant for the time being. The car was only slightly damaged and before sufficient help could be secured to set the car right side up most of the gasoline had run out, but Mr. Miller soon found a horse which pulled the car out of the ditch. He very soon got the car in running shape again and ran as far as Mrs. L. D. Miner's place on Griffin creek where he stopped for the night, but the next morning the car refused to go so he pulled it around the barn lot several times with a horse but it still refused to go. By working on the engine a little while he got it started and continued on his journey.

PHOENIX PHYLLERS

Mrs. D. W. Walker, of Medford, spent the past week with Mrs. J. A. Manke of North Phoenix.

Mrs. Jack Wright returned home last week after spending several months with relatives and friends in Ohio.

Mr. and Mrs. Fred Hensler, of Sacramento are visiting the latter's mother, Mrs. A. B. Ferns and family. The Firemen's Cornet Band are progressing rapidly in their music under the able leadership of Professor Hill.

The W. C. T. U. will meet with Mrs. E. Coleman Thursday afternoon.

Mrs. L. Woolf, of Jacksonville, was the guest of her niece, Mrs. J. E. Roberts and family part of last week.

Dr. T. Malmgren purchased an automobile last week.

Mrs. W. J. Miller and mother, Mrs. Andrews left Thursday for an extended visit with relatives at Fresno and other points in California.

Mr. G. Morse, of Oakland, Cal., left Friday for his home after a short visit with his son, G. A. Morse and daughter, Mrs. Taylor and their families.

A. Hearn is improving rapidly in the Ashland hospital and may be able to return home this week.

Mr. and Mrs. E. G. Coleman spent Sunday in Ashland.

Miss Marian B. Towne entered the Ashland hospital last Saturday for treatment. Miss Towne never fully recovered from her serious illness of a year ago. Her physicians are now hopeful of her being soon restored to health and strength.
