

PHILLIES WINNERS POSTPONED GAME

NEW YORK, Oct. 2.—Philadelphia won this afternoon the playoff of the game called at the end of the eighth inning at Philadelphia recently, between the Giants and the Phillies, when Umpire Brennan refused to allow the game to go on, declaring he was unable to judge balls and strikes because of the reflection of the sun from straw hats waved by bleacherites. With Murray at bat when the game was resumed today, the Giants failed to score and the final tally stood 8 to 6 in favor of Philadelphia. Score:

R. H. E.
New York 6 7 3
Philadelphia 8 12 2

Batteries—Mathewson and Meyers; Chalmers and Burns. Umpires, Klem and Orth.

First game of double-header—
Philadelphia 3 6 1
New York 8 14 2

Batteries—Chamier, Finney and Burns; Mathewson, Marquard, and Meyers. Umpires, Klem and Orth.

NEW YORK, Oct. 2.—Philadelphia and New York broke even in this afternoon's doubleheader, New York taking the first game 3 to 1 and Philadelphia the second 4 to 3. The second game was called at the end of the sixth inning on account of darkness. Scores:

R. H. E.
Philadelphia 4 8 1
New York 3 7 0

Umpires: Klem and Orth.

CHILD POISONER IS ARRAIGNED IN COURT

MINNEAPOLIS, Minn., Oct. 2.—Weeping hysterically and extremely nervous, Mrs. Ole Leckwold, who confessed, according to the police, to murdering her six children between 1903 and 1911 by giving them fly poison, was arraigned here today in the municipal court. Just before the preliminary examination Police Chief Martinson asked Mrs. Leckwold whether she admitted to her husband last Thursday that she had murdered three of her children, but she refused to answer.

The police want to know why they were not told of the case that night or the next day. The Rev. Warren Shock testified that he had heard of the poisoning charges last Friday, but did not report it to the police because he thought "the reports were the result of a family row."

NEW GOLF CHAMPION ABANDONS COAST TRIP

BOSTON, Oct. 2.—Acting on the advice of his physicians, Francis Ouimet, the national golf champion, announced here this afternoon that he has decided to abandon his proposed trip to California. The doctors said Ouimet had overtaxed his nervous system and needed a long rest.

PIEDRAS NEGRAS WILL NOT BE DESTROYED BY FEDERALS

WASHINGTON, Oct. 2.—Orders that no American troops be sent into Mexican territory at Piedras Negras without specific instructions from Washington, went from the war department today to General Bliss, commanding the border forces. Full advice was received from General Bliss and Consul Blocker concerning the critical situation at Piedras Negras as a result of its virtual evacuation by the constitutionalists before the advancing federales.

Instructions to General Bliss would not operate to prevent American troops from returning any fire that may be directed upon them from the Mexican side. The constitutionalists have agreed not to attempt to destroy either of the two international bridges.

The city will not be destroyed and every protection will be afforded the property of Americans and other foreigners was the assurance given by a representative of General Jesus Carranza, the constitutionalist commander following the protest by the state department through United States Consul Blocker. It had been reported that with the evacuation plans had been made to dynamite the town to prevent anything of value falling into the hands of the federales in case their advance was not checked by the momentarily expected engagement south of here.

AMERICAN NAVAL OFFICERS WHO
WERE IN ZONE OF FIRE AT SAMARIA

LIEUTENANT W. S. ANDERSON, U.S.N., 49th COMMANDER AT LONG, U.S.

Dominican troops made an attack on Samaria, and in the zone of the fire were Commander A. T. Long and Lieutenant Walter S. Anderson, of the U.S. Cruiser Des Moines, who with a boat's crew, were ashore.

Lieutenant Long and his party were in camp for a short time as were all other strangers in the immediate neighborhood.

Fortunately, however, the fire was hardly directed and wild, and the only casualties were the wounding of two refugees who happened to become targets for the troops.

General Marcelino, with two hundred revolutionists, has been opposing General Perez, who has three hundred men, and the two forces have had several clashes, with about twenty-five casualties on each side.

MILWAUKEE SAVINGS BANK IS CLOSED FOUR LIVES LOST IN GEORGETOWN FLOOD

MILWAUKEE, Wis., Oct. 2.—The Citizens Savings and Trust company, one of the largest financial institutions in Wisconsin, was closed today by State Bank Commissioner Kauflin. He explained that entries in the concern books had been manipulated but that the depositors would receive dollar for dollar.

GEORGETOWN, Texas, Oct. 2.—Four lives were lost here this afternoon in the flood waters of the San Gabriel river. The dead are Mrs. George Grumbles and her two children and a Mrs. Menken. The river is thirty feet above its normal stage, the overflow chasing the Grumbles' and Menken houses to collapse.

FURIOUS FIGHTING NORTHERN MEXICO \$5,000,000 LOSS BY TEXAS FLOODS

EAGLE PASS, Texas, Oct. 2.—General Carranza, rebel commander at Piedras Negras, Mexico, across the river from here, today assured United States Consul Blocker that foreigners there need fear neither for their persons nor property so far as the rebels are concerned. Refugees continued to pour across the bridge into the United States.

Reports were current of furious fighting between rebels and federal troops to the southward. All accounts were that the rebels were being driven steadily back.

CALUMET OWNERS APPEAL TO COURT

LANSING, Mich., Oct. 2.—Representing the Calumet & Hecla Mining company, Attorney Alton Rees this afternoon asked the state supreme court to compel Circuit Judge Patrick O'Brien of Houghton county to permanently restrain the copper strikers there from picketing, intimidating workmen or destroying property. The court reserved its decision.
