Double plays, Collins to Barry to McLanes; Barry to Collins to McLanes. First Inning Philadelphia—Murphy singled, hitting the first ball pitched, Oldring forced, Mathewson to Fletcher, on an attempted sacrifice. Collins singled to right, putting Oldring on third. Baker flied to Burns and Oldring scored when Burns threw to McLane. The throw was in plenty of time to have nailed the runner and only Burns' bad peg made the tally possible. Matty Takes Control In the third inning Doyle's fumble and Merkle's delay in running down Murphy, caught off third on Baker's easy grounder, cost two more runs. From this point on, Matty took the game away from his support, and gave his fielders no hard chances to handle. He worked a faultless game in the six closing rounds, but his batting support was too pitifully weak against Plank's great pitching, but twenty-nine Giants facing him. Plank said this may be the last ball game he will ever pitch as he is forty years old. If it is, he can always remember it as his greatest game. At the finish the crowd was all there with the ovation for Plank. For inning after inning it was obvious that the veteran had his opponents curled up and withered. The only question in any mind was
