FULLER INDICTED UPON STATEMENTS OF TWO GIRLS

A. G. Fuller of Grants Pass, formerly in the garage repair business in this city, was indicted by the grand jury Friday under a blind indictment for statutory rape upon the person of Beatrice Kavanagh, aged 15, and will be indicted in Josephine county for the same crime alleged to have been committed upon Myrtle Hanscom, aged 14, step daughter of Mike Spanos, condemned to die next Friday for the murder of George Dedakalous a year ago. Fuller is in custody.

The Hanscom and the Kavanagh girls have made confessions, and it was upon this testimony that Fuller was arrested. Fuller was acquitted in the justice court two weeks ago, upon a charge of contributing to the delinquency of the girls, the testimony of one of the parents being instrumental in securing his release. He is an old friend of the family.

Fuller took the two girls auto riding, it is alleged, just before they disappeared, on their jaunt through the northern part of the state. After three weeks of wandering they were arrested by the Portland authorities, and a couple of citizens in that town face legal action for alleged escapades with them.

The arrest of Fuller brings the list of men implicated in alleged transgressions with them up to five. Higgs and Titus are held in the county jail awaiting trial. Another feature of the case is that Titus' wife has left him.

10 CENT "CASGARETS" IS YOUR LAXATIVE

Best Liver and Bowel Cleanser and Stomach Regulator in the World—Work While You Sleep

Get a 10-cent box.

Put aside—just once—the Salts, Pills, Castor Oil, or Purgative Waters which merely force a passage-way through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascalet tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascalet now and then and never have a Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.
