WANT BOOSTERS FOR PASS MEET

The committee having in charge arrangements for the convention of Southern Oregon Commercial clubs and "boosters" at Grants Pass Nov. 6th, is perfecting plans to make that a notable gathering.

The Medford members of the committee and Secretary Streets of the Commercial club believe that this affair offers an exceptional opportunity for Medford to "make good" along lines upon which some of the neighboring towns and Portland have accused us of repeated failures.

Mr. Streets has called a meeting of some of the active club workers for 7:30 this (Thursday) evening at the exhibit building to discuss this opportunity. All interested in Medford's progress are invited; especially are the merchants and business men urged to be present.

FOREST RENTALS BRING JACKSON COUNTY \$2471

SALEM, Ore., Oct. 30.—Oregon's share from the rental and sale of forest reserve lands within its borders this year totals \$55,930.72, according to a statement prepared by Secretary of State Olcott. Under the federal law the state is entitled to 25 per cent of the money derived by the government from the rental and sale of its forest reserve lands, and the statement, in addition to showing the total, shows the amount each county will receive. The money is divided equally between the school and road funds. The forest reserves in Oregon cover 16,023,220 acres. The apportionment went to the Southern Oregon counties as follows:

Table with 3 columns: County, Rental, Sale. Rows: Curry (597,007 2,084.66), Douglas (1,140,881 3,963.79), Jackson (797,848 2,471.70), Josephine (618,215 2,158.72), Klamath (1248,190 4,358.59), Lake (1,252,387 4,373.15)

SLIGHT CREDIT IN BUD'S VICTORY

OAKLAND, Cal., Oct. 30.—Little credit was given Bud Anderson, the Medford scrapper, today for his knockout here last night in the fifth round of a scheduled ten-round bout of Louis Rees, the Los Angeles lightweight. The Oregonian out-weighted Rees by at least six pounds, forfeiting \$100 rather than weigh in. Rees weighed exactly 134 pounds, and it was believed that the Medford boy weighed between 140 and 145 pounds.

The police stopped the uneven contest in the fifth round after the crowd had yelled to Referee Jack Grace to call a halt. Rees showed up fairly well at long range work, but he appeared frightened throughout the contest. Anderson started Rees bleeding from the mouth in the second round and then wore him down with body blows in the third and fourth rounds. Anderson floored Rees with a right to the chin in the fifth. Rees staggered to his feet before the count of ten, but as he was still groggy, the police signalled Grace to stop the contest.

HEADACHY, COSTIVE, BILIOUS,—"CASCARETS"

Sick Headache, Bad Breath, Sour Stomach, Meas Liver and Bowels Are Clogged—Cheer Up!

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months. (Advertisement)

Make This and Try It for Coughs. This Home-Made Remedy has no Equal for Prompt Results.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

This simple remedy takes hold of a cough more quickly than anything else you ever used. Usually cures an ordinary cough inside of 24 hours. Splendid, too, for whooping cough, spasmodic croup and bronchitis. It stimulates the appetite and is slightly laxative, which helps end a cough.

This makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasant.

Pinex is a most valuable concentrated compound of Norway white pine extract, and is rich in pinesap and other natural pine elements which are so healing to the membranes. Other preparations will not work in this plan.

Making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful mixture has never been equalled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

IF?

If you knew how much others are enjoying the services at the Christian church you would come too.

If you knew how different these meetings are you would be interested.

If you knew that we have in Mr. Putnam, not only an evangelist of national reputation but one of the great Bible preachers, you would want to hear him.

If you could hear the splendid music you would forget many of your troubles and feel better in every way.

If you knew that you would be treated in a dignified and courteous manner and not be embarrassed, you would feel a freedom in coming.

If you come you will hear the following sermons:

Thursday night, "The Gateway Into the Kingdom."

Friday night, "The Great Certainties."

Sunday morning, "Winning a Crown."

Sunday night, "The Baptism of the Holy Spirit."

If you are a soul winner you will come regardless of your denominational relation.

If you are unsaved you will be most welcome.

Come.

Mother's Friend in Every Home

Comfort and Safety Assured Before the Arrival of the Stork.

The old saying—what is home without a mother—should add "Mother's Friend."

In thousands of American homes there is a bottle of this splendid and famous remedy that has aided many a woman through the trying ordeal, saved her from suffering and pain, kept her in health of mind and body in advance of baby's coming and had a most wonderful influence in developing a healthy, lively disposition in the child.

There is no other remedy so truly a help to nature as Mother's Friend. It relieves the pain and discomfort caused by the strain of the ligaments, makes pliant those fibres and muscles which nature is expanding and soothes the inflammation of breast glands.

Mother's Friend is an external remedy, acts quickly and not only banishes all distress in advance, but assures a speedy and complete recovery for the mother. Thus she becomes a healthy woman with all her strength preserved to thoroughly enjoy the rearing of her child. Mother's Friend can be had at any drug store at \$1.00 a bottle, and is really one of the greatest blessings ever discovered for expectant mothers.
