JURY ACQUITS POTTER ON TECHNICAL CHARGE

Earl Potter of Ashland, accused of debauching his own sister, was acquitted by a jury in the circuit court Friday upon the technical instructions of the court, who held that the state had failed to name a specific duet in the charge. The same ruling upon each appearance before the supreme court has been reversed. The law provides any date within three years. After the verdict Potter attempted to shake hands with a number of the jurors, who refused this courtesy upon the grounds that the evidence showed guilt, but a technicality had saved him. Colonel Tengwald acted to Ashland to see the football game this afternoon. EVERY WOMAN wants and needs these books. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous, upset, bothered with a sick, gassy, disordered stomach or have backache and feel all worn out. DIAZ TO RETURN IN CASE OF INVASION

Diaz would not discuss America's Mexican policy. Good Program at Star. An excellent photoplay program and a crackerjack vaudeville act are on the bill at the Star Theater tonight only, an entire change of photoplays and vaudeville tomorrow. Yesterday afternoon over 80 children were present at the guests of their school teachers and they certainly enjoyed the show, judging from the applause. Manager Barkhart provided a couple of extra reels just for the children, including educational and comedy subjects. The vaudeville act on the program tonight is a winner. Master Joe Harrity is very clever in his singing and talking and little dainty Marie, the world's youngest toe dancer makes a big hit. The act closes with Mr. Harrity an eccentric dancer of more than the usual ability. Some of Mr. Harrity's stunts are remarkable and his fun is laughable.
