MULHALL'S VICTIM
BARRED AS TRAITOR
BY FEDERATION

SEATTLE, Nov. 11.—Exposed before the recent lobby investigation committee of congress by Colonel Martin H. Mulhall as a traitor to organized labor, Jacob Tazelaar of Orange, N. J., was denied the right to sit as a delegate and driven from the floor of the convention of the American Federation of Labor today by President Samuel Gompers.

Tazelaar made a spectacular effort to secure recognition by the chair, and, failing, cried in a loud voice: "All right, I'll take my medicine."

The committee on credentials reported in favor of seating Max Hahn of Chicago, elected to take Tazelaar's place.

During the investigation Mulhall officials in New Jersey had been told that Tazelaar and other union leaders during the campaign to elect Congressman Hughes of New Jersey to the senate, in an effort to defeat Hughes.

Mulhall said that he paid them \$1800 for their services. Hughes was a friend of organized labor and the unions were doing all they could to help his campaign, and Mulhall, as a representative of the National Employers' association, was fired these union officials to work against Hughes secretly. Hughes was elected.

THIRTY-FOUR BLOODED
GUERNSEYS IMPORTED

GRANTS PASS, Nov. 11.—Thirty-four head more of blue ribbon dairy stock were added to the bovine population of the Rogue valley Sunday when the car recently shipped to the Leonard Orchard company from Fort Atkinson, Wisconsin, arrived, and the cattle were unloaded after their long journey from almost across the continent. The shipment was composed of twenty grade Guernseys, two years old; ten registered Guernsey yearling heifers and four registered Holstein yearling heifers. The cattle all came through in excellent condition, and were taken out to the ranch, where they will soon have recovered entirely from the effects of the journey.

This shipment makes eighty-five head of grade and registered Guernsey and Holstein dairy cattle that the Leonard Orchard company has shipped in from the east during the past summer to stock the farm on the Rogue. The earlier shipments were of older cattle, the most of which are now giving milk.

Christian Church Revival

A splendid audience listened to Mr. Putnam last night on "The Coming of Christ." The subject was dealt with exhaustively and people expressed themselves as having many questions along this line made clear to them. The meetings increase in interest from night to night. Twenty-six have been added to the church. Mr. Putnam speaks tonight on "What Is the Pearl of Great Price?" Splendid half-hour song service.

FLOUNCE ROCK FLOUCELETS

With two modern school houses, each of which boasts a good sized bell, daily mail, a telephone line up

the north side of the river, and one under construction on the south side of the river, we feel very proud and progressive.

Eddie Higginbotham and little son spent several days visiting at T. B. Higginbotham's.

The new phone line is up and phones installed as far as the power plant.

Wm. Mooney and wife spent several days of last week in the valley. Mrs. Vaughn is spending several weeks with her daughter, Mrs. Sid Nichols of Medford. She expects to return Monday.

Mr. Conant, who lives on the Florence Rock ranch, has been suffering with neuritis the past week. J. E. Ditsworth, Sr., went to the valley last Wednesday to take the election returns from this precinct. He returned Saturday.

There was quite an interest shown in the five measures voted upon last Tuesday. Nearly all the voters in the precinct went to the polls and voted and visited and had a pleasant time. Grandma Nye, who is 81, cast her first vote that day. Mrs. Willets and daughter are good citizens, for they came about six miles to cast their ballots. Mr. Willets came also and several other men came as far, but it is more unusual for ladies to go so far.

John Grieve, road supervisor for this district, went to the valley Wednesday, returning Saturday. Work was stopped at the road camp during his absence.

The bridge between Florence Rock and Peyton is in bad condition and is in immediate need of repair.

Mrs. R. B. Vincent is spending some weeks visiting relatives in Medford. Lester Gordon is spending several days at the home of his uncle, R. B. Vaughn.

Mr. Lewis, owner of the Florence Rock ranch, made a trip to Medford last week.

Mr. Partridge, who works at the road camp at the power plant, made a trip to town after supplies, returning Saturday.

Mr. Clements of Eagle Point, who is putting up the new telephone lines, made a trip home on election day in order to cast his vote for the temperance cause.

There is a small road camp established on Florence Rock grade. Two men will probably remain there all winter and keep in the grade in good shape.

The W. C. T. U. met Saturday with Mesdames Peeler and Blanchard. A good meeting was held and plans made for a temperance entertainment.

HUSBAND'S HAIR

If It Is Thinning Out or Full of Dandruff, Use Parisian Sage

Most men are careless regarding the care of the hair—not until it comes out by the combful do they really take notice. Then it may be too late.

If your husband's hair is getting thin; if he has dandruff or the scalp itches and burns—take immediate action; do not let him become a bald-head.

Get from Chas. Strang a 5 cent bottle of Parisian Sage. Rub it well into the scalp every night. The first application will remove dandruff. When the hair stops falling and the new growth appears use every other night until the hair is thick and abundant.

Parisian Sage is a delightful and invigorating hair tonic for men, women and children. It is a scientific preparation based on a thorough knowledge of what is needed by the hair and scalp to keep them perfectly healthy and remove dandruff, stop scalp itch and falling hair. Surely try Parisian Sage.

With two modern school houses, each of which boasts a good sized bell, daily mail, a telephone line up

ment in connection with the Sunday school.

Miss Kay Kincaid led prayer meeting Friday night at the hall and made a very interesting meeting of it.

There was a very pleasant dance Saturday night in the new school house on the south side of the river. Some of the directors and others were quite busy on Sunday scrubbing the floors and putting down the seats in order for school to commence on Monday.

O. R. Morris of Butte Falls was visiting Sunday at the home of T. M. Peeler.

Miss Charlotte Bantz celebrated her twelfth birthday Saturday by inviting a few of her young friends in.

Last Thursday night the members of the I. O. O. F. lodge gave an oyster supper and invited in quite a number of their friends. Those who were in attendance report that they had a very pleasant time and that all hands seemed to enjoy themselves.

Thomas Cook of Butte Falls came out last Friday on the train to consult with our local dentist and the result was that he spent the night with us minus a tooth.

Miss Mabel Huff, our primary teacher, and S. W. Richardson of Eugene, went to Albany last Friday evening to witness the ball game between the Eugene and the Albany teams. Miss Huff is our primary teacher and she secured the services of her sister, Mrs. George Von der Hellen, our primary teacher of last year, to teach in her place during her absence.

G. H. Wamsley started for Tacoma last Friday to visit his brother.

Mr. and Mrs. Graham of Lake creek, were with us Saturday. They were engaging beef among families.

G. W. Owings in the Eagle hotel during the vacation taken by Miss Louise Bliss, went to Medford last Saturday, returning the same day.

Rube and Jeff Johnson of Trail were doing business with some of our leading business men Saturday.

Last Saturday our marshal, Fred Findley, rounded up several head of cattle and forty-one head of sheep, and our town treasury was swelled by the receipt of seventeen dollars.

Speaking of sheep, R. R. Minter has an ad. in the classified columns offering twenty-five dollars reward for one hundred and fifty head of sheep that he has lost.

Last Saturday evening there was quite a crowd of strangers at the Eagle Point depot and among them were several carpenters who have been building a packing house for Mr. McKnight on his orchard.
