

SPENCER CALLS JUDGE BIGGEST FOOL IN COURT

WHEATON, Ill., Nov. 12.—Attorney Zemon, representing Henry Spencer, on trial here for the murder of Mrs. Mildred Allison-Rexroat, was knocked down at the opening of court today by his client.

"I am damned tired of this delay," shouted Spencer, flooring him. Sheriff Kuhn and two deputies overpowered Spencer.

Court attaches were unable to quiet Spencer.

"I don't need an attorney," he shouted. "You pinheads are simply wasting time. The judge here is the biggest fool in the courtroom. He has about as much brains as a sack of sawdust."

"I committed every one of the crimes published in the newspapers. I killed Mrs. Rexroat and then drank her blood. Why don't you fathoms strike me up and have it over with?"

The jury which is to try Spencer was completed at noon. Shortly before the twelfth juror was accepted, Spencer turned to the court and said:

"If you were not so narrow between the eyes you would have a woman foreman put in charge of that jury, and then we could get started in a hurry."

SERIOUS CATARRH YIELDS TO HYOMEI

Do not let this serious disease extend along the delicate mucous membrane gradually going from the nose to the throat, thence into the bronchial tubes and downward into the lungs.

There is no other treatment for catarrh that is like Hyomei or just as good. None can take its place, none give such quick, effective and sure relief and at so little cost—furthermore Chas. Strang will refund your money if you are not satisfied.

Begin using Hyomei now—today—and see how quickly the droppings into the throat, the discharge from the nose, sniffing and all other symptoms of catarrh are overcome; and remember—no stomach drug—sing—you breathe it. The complete outfit containing Inhaler and bottle of liquid costs but \$1.00. Extra bottles of liquid, if later needed, 50 cents. Chas. Strang, druggist.
