

# NEWS OF THE ORCHARD

## YOUNG ORCHARD YIELDS \$20,540 OR \$400 AN ACRE

Complete returns from the Mir-a Vista orchard, formerly the Merrick orchard, three miles northeast of Medford, have been compiled by Hal W. Bingham, the owner. They show the cash receipts at shipping point as follows:

1850 Bartlett's at \$1.50	\$2800
105 Howells	190
1600 White Nelis at \$2.05	3350
1000 Spizenbergs at \$1.80	1800
2500 Ben Davis at \$1	2500
1900 Winesaps	2200
4400 Newtons	7700

Total \$20,540  
These 13,455 boxes were produced by 48 acres of 10-year-old trees, of which this is the second crop, and five acres of old bearing orchard, a total of 53 acres, which average a production of over \$400 an acre. Going some for a young orchard.

## SUCCESSFUL REVIVAL AT METHODIST CHURCH

Medford Methodist Episcopal church, corner of Bartlett and Fourth street, was the scene of a glorious revival service last evening. Many were present who have no church affiliation who remarked at the close of the service that they were thrilled at the manifestation of Divine power. A most affecting scene was witnessed when an aged mother and her son, accompanied by his wife, presented themselves at the altar and were graciously converted. Their shining faces testified to the peace of God in their hearts. These meetings have assumed an intensely interesting character, and witness to the hand of God in conducting them. They are greatly reinforced by hearty spiritual singing, led by an excellent choir, enthusiastically participated in by the congregation. The subject of the pastor's discourse for this evening is "Jacob's Dream." You are heartily invited to come and enjoy these services.

Dr. C. R. Ray and family have returned from a trip to Portland.

## HUSBAND'S HAIR

If It Is Thinning Out or Full of Dandruff, Use Parisian Sage  
Most men are careless regarding the care of the hair—not until it comes out by the combful do they really take notice. They may be too late.

If your husband's hair is getting thin; if he has dandruff or the scalp itches and burns—take immediate action; do not let him become a baldhead.

Get from Chas. Strang a 50 cent bottle of Parisian Sage. Rub it well into the scalp every night. The first application will remove dandruff. When the hair stops falling and the new growth appears use every other night until the hair is thick and abundant.

Parisian Sage is a delightful and invigorating hair tonic for men, women and children. It is a scientific preparation based on a thorough knowledge of what is needed by the hair and scalp to keep them perfectly healthy and remove dandruff, stop scalp itch and falling hair. Surely try Parisian Sage.

### Coffee

Resolved:  
To do better;  
And do it promptly.  
To demand and get better coffee and the comfort that's in it;  
And do it at once;  
And not to be denied.  
To get Schilling's Best—guaranteed with moneyback to please me; and take back my money (without returning the coffee) if it doesn't.

It's easy to buy and easy to try.

## WINTER NELIS BEST SELLERS IN LONDON

Dennis & Sons write under date of London, Oct. 25:

On Wednesday the cargoes of fruit on the "New York" and "Majestic" were offered at auction. Only about 2000 barrels of pears, principally Kelffers, were in these steamers. These did very well indeed, Western New York State making 24s and 25s, while Hudson River Kelffers ranged from 22s to 24s, according to color and condition. The few other varieties in the way of Bonne Louis, Anjou and Lawrence made substantial figures.

With regard to the fancy pear trade, Winter Nelis have maintained their prices for boxes, 14s to 15s having been realized. Half boxes of this variety made 8s 6d. Comice in forward condition have made 8s to 8s 6d and some at 9s. Still a quantity in store to await better markets.

With respect to apples, Canadian barrel stock has been doing very well and further improvement has been shown on last week's figures.

In box apples we have seen some of the prettiest Wenatchee fruit that has ever been on this market, the variety being Aristo Blacks. They are being sold privately at 10s to 11s. Grimes Golden from the same district are making about the same price. Stayman Winesap and Jonathans are making from 8s to 9s. With regard to Newtowns, Californians appear to be doing better than Oregon, no doubt because the latter are very green. We hear of sales of best brands of Californians, four tiers, as high as 11s and 11s 6d, whereas Oregon's range between 10s and 11s. Other brands of Californians range from 9s to 10s for four tiers. We have sold some fine boxes of Canadian Kings at 9s and Wealthys at 8s.  
Liverpool—The barrel pear situation is about the same as last week.

## The Bergorster Trio, Comedians, Appearing at Star Theater Today

Twentieth Century Comedians, Harmony, Burlesque, String Instruments, Big Cabaret Entertainers

Barrel apples have gone back in price all round, with the exception of best Greenings, quantities having been on the heavy side. Box colored apples have been doing well and from 8s to 8s 6d for Maine Baldwins seems a very satisfactory figure. Yakima Jonathans have been making from 9s to 9s 6d, but Grimes Golden at 8s to 8s 9d will not give satisfaction. Newtowns are a poor demand at present. Oregon's have ranged from 9s 6d to 10s, while Californians have not been moving at all.

## DONALD OFFERED MATCH WITH BRITTON

Dick Donald, manager of Bud Anderson, received a telegram this afternoon from Promoter McCarey of Los Angeles offering him a match with Jack Britton in January, and asking for best terms. Manager

## COOS COUNTY TO ISSUE \$440,000 HIGHWAY BONDS

MARSHFIELD, Nov. 13.—The filing of the petition of the Coos Bay County Good Roads association asking the Coos county court to call a special election to vote on the issuance of \$440,000 bonds for the construction of good roads was today postponed until the next term of court. The petition with the requisite number of signers had been presented to Clerk Williams, but it had not been filed and this was deferred until a new apportionment for the money could be worked out.

The matter was taken up with the county court and others interested at Coquille this morning by H. C. Diers and Peter Loggie of North Bend. They pointed out that owing to the new demand in Douglas county that the road via the Umpqua to the sea be built instead of the Douglas part of the Myrtle Point-Roseburg road, that it would be unwise for Coos county to spend a large amount of money between Myrtle Point and the Douglas county line. They pointed out that if Douglas county did not build its portion of the Myrtle Point road a large amount of money would be spent almost uselessly by Coos county.

They proposed that instead of spending the bulk of the \$440,000 between Myrtle Point and the Douglas county line that it be used in construction of roads in Coos county that would accommodate the most people. Their idea was to have the money used to build from Bandon to the Curry county line, then built a permanent road from Myrtle Point via Coquille to Marshfield and North Bend, and also to expend some of the money in building a road to Tenmile.

Donald is now negotiating and wired McCarey what he wanted. It is likely that Bud will get a Christmas holiday match in San Francisco with either Tommy Murphy or Burns.

**5 Silk Hair Nets**, with elastic, all colors, all in an envelope.....**10c**

# Thousands of Women

## Have Been Restored to Health By Lydia E. Pinkham's Vegetable Compound.

There is no doubt about this fact. Why! during the last 30 years we have published in the newspapers of this country volumes of letters from women who have been relieved of all their suffering by the timely aid of this grand old medicine. Letters like the following, true, genuine and honest expressions of gratitude coming from grateful hearts. Surely you can believe these women.

**Mrs. L. S. BRENNER, Hudson, Mich., says:—**  
"Sometime ago I was taken with a terrible pain in my right side, such sharp pains just like a knife sticking me. I tried hot applications but that did no good. I went to our family doctor (we were living in Fayette, Ohio, at that time) and he said it was organic inflammation. I doctored with him a while but kept getting worse. The pain was so terrible I could hardly stand on my feet. I would have that sharp pain in my right side, and a dull heavy pain the whole length of my limb. I realized that something had to be done quickly, so I looked up all of your advertisements I could find, and saw several that described my case. I got a bottle of Lydia E. Pinkham's Vegetable Compound and it helped me from the first dose, and when I had taken two bottles my trouble was gone. Your medicine has done so much for me that I am willing you should publish this letter for the sake of other suffering women."—Mrs. L. S. BRENNER, Hudson, Michigan.

**Mrs. L. E. BOWERS, Girard, Pa., says:—**  
"I take pleasure in informing you of what Lydia E. Pinkham's Vegetable Compound has done for me. I had a sick spell last February, and for some months after that I was not regular and had many bad feelings. I was tired all the time, had dull headaches, not much appetite, and also what the doctor called organic inflammation. Your Vegetable Compound has entirely cured me and I feel that too much cannot be said in its praise as I am now able to do my own work. You are perfectly welcome to use my testimonial for the benefit of others."—Mrs. L. E. BOWERS, R.F.D. No. 1, Girard, Pa.

**Mrs. ELIZABETH GENTILCORE, Buffalo, N.Y., says:—**  
"I feel that I must write to you about your wonderful remedies. About ten years ago I was troubled with female weakness and was all run down. I was tired all the time and could hardly walk without feeling dizzy. I heard about Lydia E. Pinkham's Vegetable Compound, took it, and also used the Sanative Wash. I got stronger, and have not had those dizzy spells since. I feel that I owe my health to you, and hope your remedies will help others as they have me. I tried most everything I heard of, and yours are the best medicines for women's ailments."—Mrs. ELIZABETH GENTILCORE, 26 Glor Street, Buffalo, New York.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
