The photoplay "As a Father Spartheth His Son," is full of thrills. "The Troublesome Telephone" is funny. Boston's Floating Hospital instructive. They will be glad when O'Keefe the captain of Billy's private yacht comes in with the silver skull, fastening the deed upon Lawlor, who is the real criminal, and tells how he committed the crime. This puts an end to his hold upon the girl. They will feel highly elated when Billy and the girl, as his wife, start on their honeymoon to the Bermudas, in Billy's yacht.

The Joy of Perfect Vision

There is great satisfaction in perfect vision; a joy unspeakable, but, unfortunately, many eyes are defective.

Imperfect sight can, in nearly all cases, be restored by properly ground lenses; however, there must first be a methodical, scientific examination of each muscle and every part of the eye.

Our best citizens will tell you that my examinations are exhaustive and my work scientific and accurate.

10 CENT "CASCARETS" IS YOUR LAXATIVE

Best Liver and Bowel Cleanser and Stomach Regulator in the World —Work While You Sleep

Get a 10-cent box. Put aside—just once—the Salts, Pills, Castor Oil or Purgative Waters which merely force a passageway through the bowels, but do not thoroughly cleanse, freshen and purify those drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never grip, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Bloating, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.
