LADIES OF CLUB PLAN FANCY DRESS BALL, NEW YEAR'S

Mrs. J. F. Mundy, chairman of the social committee of the Greater Medford club, called a meeting of her special committee at the Hotel Medford yesterday morning, to perfect plans for the fancy dress ball, to be given by the music section of the Greater Medford club on New Years night at the Hotel Medford.

The tickets, in form of an invitation, are ready and will be distributed to the club members for sale to their friends this week.

All committees reported plans maturing and a great deal of enthusiasm manifested over the prospect of the coming good time.

This ball will be the most important social event of the winter coming as it does on New Years night and having as its object the purchase of a grand piano for the use of the Greater Medford club.

All the young ladies of Medford are deep in plans for the most gorgeous and stunning costumes imaginable, many of which are to be ordered from costuming houses in San Francisco and Portland.

Queen Victoria, attended by the ladies of her court will receive the guests and those who do not care to dance or to dress in fancy costume will appear before her Royal Highness in evening gowns or full dress as the case may be. Card tables will be found on the mezzanine floor by those who do not dance.

There are a number of books at the library giving suggestions for fancy dress costumes which may be found very helpful.

A full list of the patronesses will be found in next Saturday's issue of the Mail Tribune.

The civics department is in receipt of the following letter of appreciation from the children of the Roosevelt school:

Medford, Ore., Dec. 3.

To the Greater Medford Club,

Dear Mrs. Bird:

Will you please give our thanks to the ladies for the beautiful roses they sent us to plant at home and on our school grounds.

We think this gift of yours will help make our city more beautiful than any other thing that has been done for years.

So we children of the Roosevelt school wish to go on record as being willing to help you in any way we can and would be glad if you should call on us at any time. Again we thank you.

Respectfully yours,
Committee,

RED CROSS STAMP PROCEEDS AVAILABLE FOR LOCAL POOR

What becomes of the money given in Medford for Red Cross stamps? It is used for the benefit of the tubercular poor of Oregon. Although none ever has been used in Medford, it is due to the fact that it has not been demanded.

That the money is available is shown by the following letter to the corresponding secretary of the Greater Medford club from the state federation secretary:

"You may be sure we stand ready to aid you in your efforts toward relief of the tubercular patient. I hereby guarantee one month's salary for the nurse you ask for, while you secure for us the information regarding the sanitary conditions surrounding the home: Is the patient at home? Does the patient live with other members of family? How long would a nurse probably be needed? What wages do you have to pay nurse, etc.? I have a nurse I often send out, but it would depend upon the salary you pay a local nurse whether it would pay me to send her such a distance.

"I will send wages for one month as soon as you name the amount and will submit all the data you forward to my committee and then tell you of what further assistance we will render, etc.

"We are very happy, indeed, when a club becomes interested in a patient and have always found that it has contributed a great deal to the local interest in the club.

"Most sincerely,
"SAIDIE ORR-DUNBAR."

SANTA CLAUS APPEAL GETS CHILD NEW HAT

WASHINGTON, Dec. 11.—Touched by an appeal voiced in a letter from little Lottie Lester of Seattle for a 63 cent Panama to "replace the one her bunny chewed up," Assistant Secretary Hamlin today sent her a new hat donated by a Washington merchant.

"Uncle Sam wires me to write you that he was greatly pleased to receive your letter of December 2," Hamlin wrote. "He told me to go right out and buy a Panama for you as he did not want to send you one of those he had taken from a naughty man who tried to bring them into the United States without the payment of duty."

NO TRACE FOUND OF MISSING MISS M'CANN

NEW YORK, Dec. 11.—The police were without a definite clew today concerning the whereabouts of Miss Jessie McCann, daughter of a wealthy wholesale grocer, who disappeared from her home here last Friday. Members of the family, however, withdrew the reward of $1000 offered for her recovery, but denied receiving any word from the girl. A report that Miss McCann was seen recently in Philadelphia was being further investigated today by her brother.

Cofee

It is so very important that coffee should be brewed when fresh, and Schilling's Best is so delicious when fresh that w e should have been tempted to sell Schilling's Best green .unroasted), if housewives had had the proper facilities to roast it and grind it.

Then came the discovery of aroma-tight cans. Since then no matter where you live you can have Schilling's Best just as fresh as though you roasted it yourself.

Try it now. Your grocer has it or can get it.

Master Mystery Act at Star

The big feature at the Star theatre today is The Mysterious Frantz Caesar, assisted by Helen Lewis. This is a big time mystery act, an act that has played the entire Pantages circuit and has proved a most weird and mysterious sensation.

The photoplay program is above the average with a three reel 101 Bison, entitled The Girl and the Tiger, as the headliner. This is an excellent production with thrills aplenty and hairbreadth escapes, the jungle scenes are especially good. A comedy and a short educational subject complete the bill.

10,000 IMMIGRANTS ARRIVE SINGLE DAY

NEW YORK, Dec. 11.—The establishment of a new record for the arrival of immigrants was announced at Ellis Island today. On two separate days this week ten thousand immigrants arrived on various liners. The previous record was 7000 in a single.

PRESIDENT'S COLD SENDS HIM TO BED

WASHINGTON, Dec. 11.—President Wilson's cold was worse today and he was forced to cancel all engagements and remain in bed. Secretary Tumulty said the president's cold was aggravated by his attendance at the Red Cross meeting yesterday.

BANKERS CONTROL CAUSES NEW HAVEN TO PASS DIVIDEND

WASHINGTON, Dec. 11.—"The passing of the New Haven railroad's next dividend," said Louis D. Brandeis today, "is the sequel to ten years' mismanagement while the banker-controlled company was trying to secure a monopoly of New England's transportation, in violation of the federal law.

"No railroad in America possessed a richer field of operations and none enjoyed such high freight rates.

"The failure of banker-management of railroads—supposedly conservative—is now demonstrated. The widows, orphans and business men whose money was invested in the New Haven have now been taught the great lesson that observance of law and the truth are necessary avenues to lasting financial success."
