TOU VELLE TO SELL HOMINY SATURDAY

County Judge Tou Velle is scheduled to sell the Misses Boosey's famed hominy at the public market Saturday, and two wash boilers, full will be offered instead of one. The colonel is a connoisseur on corn in any form, and guarantees this hominy to be the best human ingenuity can make. All are urged to come and buy a pound or so. He will begin campaigning for customers tomorrow.

The Misses Boosey thought the market opened Wednesday, but a better sale can be had Saturday. A large crowd waited for the hominy Tuesday.

WEST WIRES LANE TO START CANAL WORK

PORTLAND, Or., Dec. 16.—In the hope of securing work for some of the hundreds of men now out of employment in this state, Governor West today telegraphed an appeal to Franklin K. Lane, secretary of the interior, urging him to begin immediately operations of the West Umatilla irrigation project.

As the plan involves the construction of a canal ten miles long, it is urged that employment could easily be given a large number of men through the winter at least.

AUTO OWNERS MEET TO FIGHT LICENSE TAX

Auto owners of the Rogue river valley will meet Thursday at two o'clock in the public library to take steps towards contesting the paying of the state license, maintaining that it makes a double tax on autos, netting no benefit to the county. The license has been declared illegal in other states.

Similar efforts some years ago resulted in repealing the bicycle tax. Auto owners say that it is double taxation, as the autos are assessed in the personal property list.
