Anderson, mother of "Bud" Anderson, the lightweight pugilist, is suffering today from serious injuries sustained in a collision between the automobile in which she was riding with her son Fred and another belonging to Dr. J. IT WILL MAKE YOU HAPPY

Dr. Rickert Suite 1-2, Over Deuel's Glasses Exactly Right Eye defects are almost unlimited in variety and extent, no two cases being exactly alike. Glasses furnish the only means for the restoration of sight, but it requires the greatest precision, skill and experience to accurately fit lenses to the multitude of divergent irregularities. It should be remembered, too, that wrong glasses do more harm than good. If not entirely satisfied with the ones you are wearing, I can fit your eyes, and will guarantee perfect satisfaction.
