EAGLE POINT EAGLETS

By A. C. Howlett.

E. I. Hoef's of Butte Falls was with us a few nights ago. He had been to Medford to join his brother who had been in Alaska for the past fifteen years, and his two sisters who came from Portland, and have not seen each other for the past seven years. They all met with their mother unannounced so far as she was concerned, but it was one of those unexpected occurrences in life that sets as beacon lights along life's rugged pathway, a very happy family reunion.

Mr. Swihert, the Derby merchant, was among us last Tuesday night and so was Mr. Ash of Trail. He has done after a new supply of goods for his Trail store.

In my last I unintentionally omitted to tell the readers of the Mail Tribune that Roy Ashpole and his wife had the pleasure of entertaining Mr. and Mrs. John Ashpole, and brother Wilbert, and Mr. and Mrs. John Rader, Mrs. Roy Ashpole's parents, on New Year's day.

Tummy Duggan was doing business among us Tuesday afternoon.

Mrs. J. F. Lewis of Welen and her little son were in our town Tuesday. The little fellow sit in the bussey and held the horse while his mother done the business and while here I naturally asked her about how they were getting along on the farm and she told me that her husband had gone to Portland on business and that she was running the farm; that the silo they had put up this fall had proved a grand success; that they had simply hauled the corn fodder in from the field, cut it up in short bits, etc., and that the stock seemed to relish it and that they ate it all up clean and smooth, thus saving what is generally thrown away, the large stalks, and that the cattle seemed to do better on that kind of feed than they did on the fodder or hay either.

There is a young bachelor who has a homestead back in the hills that wants me to try to help him get a wife, but I hardly know how to proceed as it has been over fifty years since I tried to get one for myself. W. T. Clements and Harry Cogswell of Marion county, Oregon, who have been up near the Soda Springs on the south fork of Butte creek, came out last Tuesday. They have been trapping and fishing in that section but report that the kind of game that they have been looking for is ver y scarce as the stockmen have been putting out poison for wolves and by that means have killed off almost all kinds of the fur-bearing animals. They stopped with us un-

til Thursday afternoon and then went to Medford.

In a letter from my daughter, Mrs. C. E. Hoyt, received this Thursday morning, I learned of the death of Mrs. George (Addie) Morine at Klamath Falls on the morning of the 6th inst. The deceased has several relatives in Rogue river valley and at the time that she lived here in Eagle Point had a host of friends.

Thomas Stanley of Lake Creek and Mrs. W. W. Willis of Persist were among the guests at the Sunnyside Wednesday night and W. C. Bennett of Los Angeles and Fred A. Bellows have been stopping with us for the past few days. Mr. Bellows made a hurried trip to Roseburg, returning Thursday morning.

I see that my letter is getting rather long but I must ask space for a word about the Bybee bridge. I see in the Mail Tribune of the 7th two very interesting letters, one from Mrs. J. C. Pendleton of Table Rock, and the other from our old friend, J. S. Howard, each protesting against changing the name of the old landmark "Bybee Bridge" to Modoc bridge. As one of the few old pioneers of the country I feel that I have a right to join with the others in objecting to the change. Among the first names I learned when I first came to the valley in 1861 was the name of that noble old man, Bill Bybee, and for the past fifty years have been in the habit of hearing the name associated with the old crossing and now to have a few youngsters come in and try to destroy the landmark simply because the land on which the bridge is built belongs to a wealthy lady or syndicate to try to substitute a name that has no endearing thoughts but on the contrary thoughts that cause, to say the least, unpleasant memories to arise in the mind, and another serious objection is that the name is misleading, naming a bridge in commemoration of an event of treachery, bloodshed and deliberate murder, is revolting to the finer feelings of those who love the old landmarks of Rogue river valley.

GOLD HILL NUGGETS

(Gold Hill News.)

Dr. Ray came down from Medford on Monday, and spent the day looking over his various mining properties. At the Braden, Wm. Stenwe, of Butte, Mont., has succeeded W. A. Burr as superintendent.

Professor Harry Day was a recent visitor to Butte Falls, where he sold a piano and accepted the leadership of the local band. Harry will take charge of the organization some day next week, and plans to make several visits each month to the terminus of the P. & E. Butte Falls is to be congratulated upon its spirit in organizing and equipping a band—and again upon the securing of Professor Day as instructor.

G. L. Lane, familiarly known to many old friends in these parts as "Lusha" Lane, arrived on Saturday last from San Francisco, after a number of years absence from this vicinity. Mr. Lane was formerly prominently identified with mining in the Gold Hill district, and once owned both the Maybelle and Von Moltke mines, on Sardinia creek. He will remain in this city for some time, at least, and may again interest himself in local mining matters.

Superintendent Ben Harrison, of the Black Channel mine on Footh creek, was in this city Thursday purchasing supplies. Mr. Harrison stated that the big placer commenced operations with a full head of water on December 31, and owing to excellent reservoir facilities had run continuously since that date, employing a crew of five men. A shift is also at work upon a quartz prospect of the Black Channel property. Other placer mines along the creek are also making tallings while the rain lasts, and an excellent season is anticipated.

ECHOES FROM PHOENIX

Phoenix Happenings Always Interest Our Readers

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Phoenix resident leaves no room for doubt on this point.

Mrs. J. Waterman, Phoenix, Oregon, says: "I have no hesitation in recommending Doan's Kidney Pills as I have had ample proof of their merit. Over-exertion or being on my feet for any length of time, caused my back to ache and sent sharp pains through my loins. Frequent headaches and spells of dizziness also bothered me. I knew that my kidneys were at fault and hearing Doan's Kidney Pills highly recommended, I procured a supply. I began using them and they relieved the difficulties which had so long distressed me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
