EAGLE POINT EAGLETS

By A. C. Howlett.

One of our leading business men has suggested to me that it would be Medford. a good idea to start the ball in motion to have a cannery established, here at Eagle Point as we have some of as fine garden ground in this section as can be found in any other section of the country. We have so I have been informed, about 1100 acres under an irrigation ditch and that it is all good garden land and almost any kind of vegetables can be raised on it, and it is a notorious fact that there are hundreds of dollars worth votes cast, of fruit and vegetables that even now go to waste and hundreds of dollars evening between Phoenix and Central the Central Point high school gave a other countries and brought here that could be raised here and canned if we just had a way of taking care of held a box social at the school Fri- a short address which caused great and we were eating kraut that we ident of the Oregon W. C. T. U. was had bought of him and commenting the guest of the Misses Towne Frion the quality of it and I asked him day and Saturday, where he got it, supposing that he and what do you think was my surprise when he told me that he got lies, from Michigan, yes we are shipping kraut from Michigan, and our sweet potatoes from California and our spuds from the Willamette valley. We Are Optimists and still we have hundreds of acres of garden land that ought to bring And Propose to Make 1914 Our Best in hundreds of dollars, simply because we have no way of saving what we raise at home

James and John Owens of Wellen were here last Tuesday and John was telling about his little boy, about four years old, who had climbed up and taken a can of concentrated lye off of thing carrying it in your pocket. a shelf and in handling it got some of it on his face near one of his eyes and was causing him considerable SOUTHERN OREGON, bother as it had burned the face close to the eye. Dr. Holt was called and prescribed for the burn.
