FEDERALS SEEK DON RADER FOR -

Don Rader, Medford's lone contribution to major league ball, received a letter Tuesday from the Chicago Federal league, asking if he would consider a contract in the outlaw organization and sounding him regarding his attitude toward organized baseball. Rader was touted last year as one of the most stable of the season's recruits, and played with the Chicago White Sox, being drafted in mid-season from the Pendleton team in the Western Tri-State league.

Rader received his 1914 contract from the White Sox last week, but it was so unsatisfactory that he told friends he would quit baseball forever before he would sign it, and threatens to send it back.

The Federal league announced last week that they intended to go out after the young blood as well as the stars of the old league, and the letter to Rader is in pursuance of

FEDERALS SIGNING

CHICAGO, Jan. 21.-The follow ing message was sent to Presiden Baker of the Philadelphia National League club today by President John A. Gilmore of the Federal League:

"I hereby notify you that Ad Bren nan and William Killifer have signed contracts with the Chicago Federal League club and have received advance money. Both men are our players and their contracts will be protected."

Manager Otto Knabe of the Balti more Federals conferred here today with Charles Weeghman, president of the Chicago club. Knabe declared he had signed eight major Gregory, about halfway points be league players. Sev- to 201/4 cents and refused to make a eral club managers also interviewed similar reduction on cement shipped salesmen for sporting goods houses with a view to purchasing uniforms for their players.

MINING STATION FOR GRANTS PASS

WASHINGTON, D. C., Jun. 21.-Congressman Hawley has been working to have a mining experiment station established at Grants Pass, Ore., to assist the miners of southern Oregon in their industry, which has bethe naming of the committees for come one of the most important industries in the state. He has a bill pending in the house, proposing the establishment of such a station, under the management and control of the bureau of mines, but with a mining engineer in charge at a salary of \$4000 per annum, a metallurgical chemits at a salary of \$3000 per annum and an assistant at \$2000. It is proposed that \$25,000 also be approprinted to establish, equip and maintain the laboratory or experiment station.

Mr. Hawley is also endeavoring to secure the mapping of the Dothan Quadrangle during the coming season, and has recently had this matter the Holland hotel was not running at the end of six months he would vote to radvises Mr. Hawley that the same ternational exposition, will be placed ance with the nawritten law that no tion of the state of Oregon and of which will be a companion to the the United States forest service in group representing the "Nations of making the survey. HIGHER PRICES FORSTOCK OF FEREI 'CHANGE TODAY

NEW YORK, Jan. 21 .- The opening of the market today was market by a strong undertone. As the active shares were bought in large quantities higher prices were quotes with but few exceptions. Western Union, Reading. Lehigh Valley, Northern Pacific and Louisville and Nashville registered gains of about a point

The Pacific group was especially strong, Northern Pacific and Southern Pacific each gaining a point. Improving tendencies were in evidence everywhere. Special stocks were inflenced by favorable trade news. Later many new prices for the movement were reached.

Bonds were strong. The market closed steady.

STATE FEDERATION DEBATE COMPENSATION

ASTORIA, Or., Jan. 21.-A communication from W. A. Marshall, a member of the Typographical union of Portland, criticizing the report of J. F. Cassidy on the proceedings of caused a heated argument on the floor of the State Federation of Labor convention here today. Marshall objected to the view which Cassidy took of the workmen's compensation bill, contending that the act was not below to the convention of Labor convention here today. Marshall objected to the view which Cassidy took of the workmen's compensation blood pure, thereby avoiding serious kidney complications.

a detriment to the laboring class and that the organization should not ge on record as believing such. Speeches were made on both sides of the to place the communication on file.

The report of the labor investigatng committee was made and was accepted. President Burrows made a speech and stated that if all members would buy union made goods there would be little need for busi-

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers-Meat forms uric acid.

No man or woman who eats meat regu-larly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the neids in urine so it no longer causes irritation, thus ending bladder distralize the acids in urine so it no longer causes irritation, thus ending bladder dis-

CHILDREN HATE OIL, CALOMEL AND PILLS

-Tastes Delicious

Look back at your childhood days. Remember the "dose" mother insisted on-castor oil, calomel, catharties. How you hated them, how you fought against taking them.

With our children it's diferent. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is wellfounded. Their tender little "in sides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent which has full directions for babies, children of all ages and for grown-The study club of the social hygione section of the Greater Medford of counterfeits sold here. See that it
