No Longer Do Women Fear The Great-est of All Human Blessings.

It is a joy and comfort to know that these much talked of pains and other dis-treases that are said to precede child-hear-ing may easily be avoided. No woman need fear the slightest discomfort if she will fortify herself with the well-known and time-honored remedy, "Mother's Friend." This is a most grateful, penetrating, ex-ternal application that at once softens and makes pliant the abdominal muscles and makes pliant the abdominal muscles and ligaments. They naturally expand without the slightest strain, and thus not only banish all tendency to nervous, twitching spells, but there is an entire freedom from nausea, discomfort, sleeplessness and dread that so often leave their impress upon the

stress can not be laid upon the remarkable influence which a mother's happy, pre-natal disposition has upon the beaith and for-tunes of the generation to come. Mother's Friend is recommended only for

the relief and comfort of expectant mothers, thousands of whom have used and recommend it. You will find it on sale at all drug stores at \$1.00 a bottle. THOUGHT ASKS DIVORCE CRISIS TONIGHT FLOOD SITUATION IN SAN JOAQUIN

STOCKTON, Cal., Jan. 27,-The delta reclamations of the lower San Joaquin will pass through a crisis to- try it-apply a little in the nostrilnight and tomorrow. This morning at S o'clock the San Joaquin river here reached a height of 19.5 feet at Lathrop and was still rising slowly. The danger mark is 18 feet, and the highest stage ever known was recorded in February, 1911, when the river reached 22.5 feet, and the delas became an inland sea.

All levees are holding today, but they are being constantly patrolled places where they were in danger of heing undermined by seepage or go pher holes, sacks of earth were below thrown in to strengthen the cinbank-

The river will continue to rise during the next twenty-four hours, as the freshet waters of the King's river and the upper San Joaquin arrive. Stockton channel, which was near the top of its banks yesterday, rais ing the boats high above the wharf lines, had fallen considerably today.
