IRISH PROBLEM SOURCE OF WORRY TO GREAT BRITAIN

LONDON, Feb. 10.—Serious anxiety concerning the home rule situation in Ulster was expressed by King George today in his address at parliament's opening.

He regretted, he said, that efforts to solve the Irish problem had thus far failed. "And unless the home rule question is handled now with foresight and good judgment," he added "grave differences may result."

His Majesty hoped the powers' consultations concerning Albania's autonomy and the disposition of the Aegean Islands would make for lasting peace in the Balkans, and declared himself satisfied with the results of the recent conference for safety at sea.

The address, though nominally the King's, is really his ministers' work and reflects their views, not necessarily the monarch's.

Excitement reigned for a time about parliament house as a result of the unexpected discovery that Mrs. Emmeline Pankhurst, the suffragette leader, just back from Switzerland, was present. Mrs. Deere-Fox, one of her lieutenants had announced previously a demonstration by the militants would mark parliament's opening and Mrs. Pankhurst's appearance led the police to believe the threat would be made good.

The suffragettes did not attempt, however, to present a petition to the king and the only demonstration was a procession of 20 sandwich women, emblazoned fore and aft with the motto "Votes for Women," down Whitehall after the royalties' carriage had passed on its way to parliament house. The police stopped them a short distance from the legislative meeting place.

BREAK IN OIL ON STOCK MARKET

NEW YORK, Feb. 10.—Further evidence of a break in oil stocks was noted on the curb market today. Shortly after the opening, Atlantic Refining company sold at 79 1/2, a new low record for the present break. This was 27 points below yesterday's closing price.

Irregular changes showed no definite trend at the opening of the stock market today. Denver & Rio Grande dropped 2 1/2, Mercantile Marine preferred 1 1/2, and Smelting, Canadian Pacific, Missouri, Kansas & Texas and Car and Foundry, 1 each.

Rock Island rallied from yesterday's low record price, the common gaining 1 and the preferred half. Toward noon selling diminished in volume, but the market failed to recover. As a result, many declines of from 1 to 2 points were scattered through the list.

Bonds were irregular. The market closed active.

GROWERS TO PACK THEIR OWN FRUIT

The Rogue River Fruit association held the opening session of its annual meeting this morning in the public library, the time being devoted to routine business and a discussion of changes in the apple packing system of the growers of the valley. At 11:30 the meeting adjourned until 2 o'clock this afternoon, when the annual election will be held, and a large number of amendments to the constitution voted upon. About 55 were in attendance. It was decided that the individual growers shall do their own packing hereafter.

WARDEN INVENTS SAFETY RAIL

Frank O. Hellstrom, warden of the North Dakota penitentiary at Bismarck, with the help of a life convict, Carl Olson, has invented a safety rail for use on railroads, which he believes will prevent many accidents and save thousands of lives. The rail is to be given its first trial on the lines of the Soo system this spring. Railroad men and steel mill owners have become deeply interested in it.

This Home-Made Cough Syrup Will Surprise You. Costs Little, but there is Nothing Better at Any Price. Fully Guaranteed.

Here is a home-made remedy that takes hold of a cough almost instantly, and will usually conquer an ordinary cough in 24 hours. This recipe makes a pint—enough for a whole family. You couldn't buy as much or as good ready-made cough syrup for \$2.00.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents) worth in a pint bottle, and add the Sugar Syrup. This keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is slightly laxative, which helps rid a cough.

You probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic croup and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in gualalol and other natural healing pine elements. Other preparations will not work in this combination.

The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated, often, but never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will set it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

WEALTH OF HAIR

Parisian Sage Makes Thin Lifeless Hair Soft and Abundant

Beautiful hair, fluffy, lustrous, abundant and free from dandruff, is one of woman's greatest charms—it's her main delight—yet so many of the fair sex have streaked, thin and lifeless hair, and think there is no remedy. Beautiful hair is largely a matter of attention. Parisian Sage frequently applied and well rubbed into the scalp works wonders. Try it today, and you will be surprised with the result—not only will the hair become abundant, soft, fluffy, radiant with life, but really doubly beautiful.

Parisian Sage supplies hair and scalp needs. It surely removes dandruff with one application stops itching head and cleanses the hair of all dirt and excessive oil.

All drug and toilet counters sell Parisian Sage in fifty-cent bottles. Look for the trade mark—"The Girl with the Auburn Hair." Try at least one bottle from Chas. Strang. He will refund the money if you are not satisfied.
