"FAGGED-OUT" WOMEN

Will Find Help in This Letter

Overworked, run down, "fagged out" women who feel as though they could hardly drag about, should profit by Mrs. Brill's experience.

She says: "I was in a very weak, run-down condition. Life was not worth living. I could not sleep, was very nervous, stomach bad, and was not able to work."

"I consulted with one or two physicians, without benefit. I read of Vinol helping some one in a similar condition so I began to take it, and it simply did wonders for me. I gained in weight and I am now in better health and stronger than ever. I can not find words enough to praise Vinol."

Mrs. W. H. Brill, Racine, Wis.

Lung Trouble Yielded to This Medicine

If you are suffering with Lung Trouble, or if you know of some unfortunate person so afflicted, would you take the trouble of fully investigating a medicine which has brought complete recovery in a number of very serious cases? To Eckman's Alternative, a remedy for Throat and Lung Troubles, has been given the fullest credit of restoring health to a large number of cases. Read this—1009 Girard Ave., Phila., Pa.

"Gentlemen: In the winter of 1908 I had an attack of Grippe, followed by Pneumonia, and later by Lung Trouble. In the winter of 1904 I had cough, night sweats, fever, and raised quantities of awful-looking stuff and later I had many hemorrhages; at one time three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well."

(Above abbreviated; more on request.) Eckman's Alternative has been used for many years to be most efficacious for severe Throat and Lung Affections, Bronchitis, Whooping Cough, Asthma, Croup, Colds and in rebuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.
