ECONOMY PLAN MAY OUST AMMAN AS A FIRE CHIEF

Eugene Amann, chief of the fire department, may be ousted from his position at the next meeting of the city council, as another step in the economy policy of the city administration, upon the grounds that his services are a luxury, and that the work of the department does not justify the continuance of a chief's salary. Nothing definite has been decided upon by the council, but they have talked over the matter among themselves.

It was understood among some of the council that Chief Amann intended to resign and move to California, but the matter was brought to a head this week when the chief announced that he did not intend to quit unless the council ousted him from his berth, and that he would make a fight for retention.

Chief Amann draws a salary of \$90 a month and has been head of the department for about four years, with six men under him. One objection filed against him is that he is unable to stay at the fire station at night, and therefore speedily respond to an alarm, should one be sent in.

Colonel Sargent of the second ward is leading the action against Amann.

The fire department has had its share of differences with the new council. About a week ago eighteen members of the volunteer branch resigned, to take effect March 1, because the council cut out their free telephones. This matter will also be presented at the next meeting of the council Tuesday night.

SEVEN CHICAGO WOMEN NOMINATED ALDERMEN

CHICAGO, Feb. 25.—Seven Chicago women, complete returns showed today, were nominated for alderman at yesterday's primary election, the first opportunity the women had had to exercise the right of suffrage. Primaries were held in many other cities and towns of the state, but everywhere the woman vote was light.

In Chicago only about 30 per cent of the 158,524 women who had, qualified voted. Galesburg reported the heaviest women's vote. It was the scene of a wet and dry contest. The women cast nearly half the total vote.

Three of the women nominated in Chicago were progressives and four were socialists.

Stormy weather and the absence of important issues were responsible for the light vote.

HOLDUP MAN LOSES NERVE DURING CRISIS

A weak hearted hold-up man attempted to hold up Ira J. Dodge of the Korinek Remedy company Monday night on the Jacksonville road, and was thwarted in his criminal purpose by Mr. Dodge shoving his auto into the high and speeding straight at the man, who stood in the middle of the road waving a signal to stop. The looks of the man and his attitude did not appeal, though he showed no weapon. Mrs. Dodge was riding with her husband at the time. The police and sheriff's office have not been advised of the attempt.

According to residents along that road there has been suspicious moves on the part of strangers lately towards autoists, and a new rule in that section is to stop for no one at night for fear of hold-ups.

SENATE REFUSES TO PROBE NEW HAVEN

Kirkland was the man he was charged with killing.

SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush kidneys and neutralize irritating acids—Splendid for system.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, stinging sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders, caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Have you had a pleasant, refreshing, sweet water drink, which quickly relieves

GRAND JURY PROBES BLUE SKY VIOLATIONS

No indictments were returned by the grand jury today, but further investigation was made into the alleged violations of the Blue Sky law, that was begun yesterday afternoon, when it was discovered that one of the grand jury men had been a purchaser of stock in outside development projects under question. The grand jury is expected to finish its investigations this afternoon and bring its report and all indictments, if any, at the same time.

CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" Best for Tender Stomach, Liver, Bowels—Tastes Delicious

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs," its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.
