**LEAVES PRISON TO WED**

**(Continued from page 1)**

keep the man longer in prison would have the effect of still longer compelling this woman to bear upon her breast the scarlet letter and to expose this child of three years of age, in its developing consciousness, to be the taunt of his playmates, and would prevent this man and woman from enjoying the past by living a virtuous life within the bonds of wedlock.

"A strict adherence to the letter of the law which would keep this man in prison for twenty years longer, instead of vindictive society and the criminal, would, in my opinion, succeed, and its needs to well merited censor."

**Story of the Case**

"To err is human; to forgive, divine. The pardoning power was vested in the governor to cover just cases, and in my judgment, in commencing this man's sentence, I follow the dictates of humanity, the teachings of Christianity and exercise wisely and justly the discretion vested in me by the laws of the land."

Mrs. Calvert was a member of the household of Kimzey's father, a prosperous Illinois farmer. When a son was born to the pair, the girl being under age, Kimzey was prosecuted, convicted and sentenced to thirty years' imprisonment.

The girl was unfriendly to the prosecution from the first, however, and after Kimzey had gone to the penitentiary, protested so vigorously that her baby needed his father's name and support so much more than the state needed revenge for the wrong against herself that her relatives, who had been most active in pushing the case against him, took the other side and were equally active in working for his pardon.

**10 CENT "CASARETS" STRAIGHTEN YOU UP**

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels by Morning

Get a 10-cent box now.

Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Casarets.

Millions of men and women take a Casaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Casarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Casaret tonight straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Casarets because they never gripe or sicken.

**This is Guaranteed to Stop Your Cough**

Make this Family Supply of Cough Syrup at Home and Save 25.

This plan makes a pint of better cough syrup than you could buy ready made for \$2.50. A few drops usually conquer an ordinary cough—others even whooping cough—quickly, simple as it is, no better remedy can be had at any price.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a wet bottle, then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. Take a tablespoonful every one, two or three hours.

You can feel this take hold of a cough in a way that's most business. Has a good tonic effect, braces up the appetite, and is slightly laxative, too, which is helpful. A family remedy for hoarseness, spasmodic cough, bronchitis, bronchial asthma and whooping cough.

The effect of Pinex on the membranes is well known. Pinex is a most valuable concentrated compound of Norwegian white pine extract, and is rich in ginseng and other natural healing time elements. Other preparations will not work in this combination.

This Pinex and Sugar Syrup remedy has often been imitated, though never successfully. It is now used in more homes than any other cough remedy. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
