

### AUTO ACCIDENTS RESULT IN MINOR HURTS TO VICTIMS

F. Allen, who runs a vacuum cleaner, transported from place to place attached to a bicycle, collided with the police auto driven by Officer Harry Cingade on the corner of Main and Front streets Thursday morning. He was knocked to the pavement, and claiming that he was hurt, began to yell. Thereupon Officer Cingade arrested him for being on the wrong side of the road, and he yelled louder than ever. Spectators thought Mr. Allen had broken a leg, but an investigation disclosed nothing but a bruise.

Allen was hated before Police Judge Gay and, refusing to plead guilty, asked for more time. He was given an hour. He then proposed to Officer Cingade that he would take half the blame if he would take the other half. Upon refusal to compromise he pleaded guilty, was fined \$5 and same suspended.

Wednesday afternoon A. Conro Fiero, while driving his auto on Riverside avenue, had a rear-end collision with the street sweeper, damaging the broom attachment thereon, and parts of his own car. An argument on the merits and demerits of the case then followed between Chief Hiltson, Councilman Emerick and Mr. Fiero.

About the same time, Mrs. Dole, driving an auto on Main street, collided with Amber Watson, who was riding on a wheel, knocking him to the pavement and smashing the wheel. The boy rode around in front of the street car.

Following these three accidents, the police announced the speeding ordinance would be enforced to the letter, as an argument is having no effect on the drivers to go slow.

### BAGLEY MEETS CANNERY BOOSTERS WITH PROPOSALS

The joint committees of the Commercial club and Merchants' association appointed to devise ways and means to establish a cannery here, are working true to form in at least one particular—in recognizing the necessity of harmonious and united action. If the same zeal and stetitiveness is shown as good judgment in uniting on one project, favorable results may be expected.

Mr. Bagley of the Talent cannery came to Medford this morning and met informally with some of the committeemen. The eastern men interested in that company are, and have been for some time, working on a plan of materially enlarging their plant and working capital, their plans calling for an increase of practically \$50,000 in their paid-in capitalization. The plan of co-operation made by Mr. Bagley was decidedly favorable and feasible, but a full accomplishment of the plan would necessitate awaiting on the completion of the present financial efforts in the east.

Mr. Sheldon, of the local committee, at whose suggestion the effort to bring the Bagley cannery to Medford was started, promptly suggested that any such proposition should not be made at this time, nor till the amount to be raised in the east as a condition precedent to this community's co-operation, was definitely arranged for, for the reason that the local boosters at work on the proposition felt that there was no time to lose and a canvass of the business men should be made at once to determine the amount of support available. With this plan, Mr. Bagley promptly and heartily agreed, and the committee are working untiringly toward the establishment of a much smaller experimental factory, owned and controlled wholly by local people.

### PLAN EXCURSION TO HEAR HELEN KELLER

Helen Keller will be heard at Ashland, in the Armory hall, on the 25th of this month, giving a lecture entitled, "The Heart and the Hand," which has attracted large audiences in every large city in the country. Through unavoidable mischance, it has been impossible to secure a date for this lecture in Medford, and residents of this city who desire to see and hear this noted woman are requested and urged to hand in their names at the public library at an early date. The S. P. will run a special motor to Ashland and return on the evening of the 25th, provided at least sixty fares are guaranteed.

The story of Helen Keller's life and her triumph over seemingly insuperable difficulties afford an inspiration to all who are attracted and moved by the spectacle of unflinching courage and deep purpose; the opportunity to hear this story at first hand should not be neglected.

Look! Look! Smoke Governor Johnson cigars, they're made in Medford, you'll like them.

### BAD BOYS GONE; WANTED BY BOTH PARENTS, POLICE

Julius Wattenberg, aged 16 years, and his brother, Ted, aged 14, are missing. Both their parents and the juvenile authorities would like to find them; the first, because their mother is on the verge of hysteria at their absence, and the second, for the violation of their paroles when they stole a keg of tobacco from the platform of the Southern Pacific warehouse Tuesday afternoon. Although young, they chew.

"The Wattenberg Kids," when caught, will be given a chance at the State Industrial school, that has been denied them at home. They have been in more police escapades than they have fingers and toes, and it is said they are leaders of bad boys' gangs that have thrived from time to time in this city. They are blamed for every juvenile theft and are exiles on the school grounds, because of a bad name.

Two sleuths of the Southern Pacific caught the undersized pair taking the caddy of tobacco and nabbed them. They promised to appear for a hearing and forgot to appear.

Julius is out on parole, through sympathy for his mother. The father, a little wisp of a man under five feet, threatened to throw Prosecutor Kelly out of the window of his office in the First National bank for "persecuting his sons."

The Wattenberg boys, realizing no more favors in the way of paroles would be granted, went into hiding last night and have not been seen since. It is not thought they are out of the city.

### WOMAN FINISHES BUILDING TUNNEL FOR HUSBAND

TACOMA, Wash., March 19.—Signaling the entrance of women into a new sphere of activity, Mrs. Nelson Bennett today turned over to the Northern Pacific railway the completed Point Defiance tunnel in the north end of this city.

Upon the death of Nelson Bennett, the pioneer railroad builder, last July, Mrs. Bennett notified the company officials of her intention to assume the contract obligations of her husband and promise to finish the great \$1,000,000 project on schedule time.

Personally superintending the work on the big tunnel, Mrs. Bennett soon had matters running smoothly. More than 300 men were under her control with a monthly payroll in excess of \$18,000. From eight to ten hours every day the resolute woman executive was "on the job" personally supervising the work of her subordinates. Her untiring energy was rewarded yesterday when the finishing touches were put on the mile and a half long tunnel and today it was pronounced ready for the passage of trains.

## Winter's Chills Breed Kidney Ills

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsilitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

## Spring is Breaking; Backs are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs;—lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

**W. CLARK ST.**  
M. S. Biden, 614 W. Clark St., Medford, says: "I suffered from rheumatic pains, caused by too much uric acid in my system. The pain was especially severe in my back. My kidneys were disordered, too, and my health was all run down. I couldn't stoop without getting dizzy. Doan's Kidney Pills were highly recommended to me and they did just what was claimed for them. As soon as I used them, the pain began to leave me and the action of my kidneys was regulated. By the time I had finished two boxes, I was without a sign of kidney trouble."

**CENTRAL AVENUE**  
S. Colbert, farmer, 902 N. Central Ave., Medford, says: "A short time ago kidney trouble came on me suddenly. I had terrible pains and weakness across my back. I could hardly stoop or straighten. In a few days I was knocked out completely and I thought I was done for. The kidney secretions were unnatural and I had to get up often at night. I lost much sleep. Someone advised me to try Doan's Kidney Pills and I did. They brought me wonderful benefit. I can now do my work without pain and weakness and I get my proper rest at night. The kidney secretions are natural, too."

**W. PALM ST.**  
F. W. Gray, 507 W. Palm St., Medford, says: "My kidneys began to bother me and caused severe pain. I think the trouble was made worse by the strain of being on my feet so much. Sometimes during the day's work, my back pained me dreadfully and by night I could hardly stand. After I quit work, I couldn't rest. I happened to hear of Doan's Kidney Pills and began using them. They were just what I needed and cured me in a short time."

**N. GRAPE ST.**  
Mrs. William Charley, 395 N. Grape St., Medford, says: "I had much pain in the small of my back and sometimes I could hardly bend or straighten. At night the trouble bothered me, too and often I couldn't sleep. I tried plasters and liniments but nothing helped me. When almost discouraged, I heard of Doan's Kidney Pills. In less than two weeks after I began taking them, I felt better. I used in all four boxes of Doan's Kidney Pills and they made me well. Doan's Kidney Pills so completely cured me of kidney trouble that I have had no sign of it for over three years."

**W. MAIN ST.**  
C. C. Kriba, grocer, W. Main St., Medford, says: "I suffered from a dull ache in the small of my back for months. The kidney secretions were unnatural and I had trouble in controlling them. I willingly confirm the endorsement I gave Doan's Kidney Pills several years ago, when I lived in Madena, Minn. I willingly allow you to publish that statement here for the benefit of my neighbors."

**HAMILTON AVENUE**  
A. E. J. Percival, 515 Hamilton Ave., Medford, says: "I had suffered for two years from all the pain and distress that go with bladder and kidney trouble. Finally, I decided to see what Doan's Kidney Pills would do for the trouble. After taking two boxes, the kidney and bladder complaint left."

**FROM JACKSONVILLE**  
Ezra Arnold, Applegate road, Jacksonville says: "My back bothered me for five or six months. I had a dull pain through my kidneys and the kidney action became very irregular. I had to get up at night on that account. I was told to try Doan's Kidney Pills and did so with fine results. They soon rid me of all the ailments. My kidneys have bothered me very little since."
