Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Get a 25 cent box at any drug or department store, and get relief.

TO PLACE BOYS ON SOME FARM An effort is being made to find a place on a farm for John and Kenneth Wattenberg, aged 16 and 12 years, whose escapades the last year, has brought them half a dozen times before the juvenile authorities. This morning it was decided to reserve the final decision in the case until next Thursday. The first intention of Judge Tou Velle was to commit them to the Boys and Girls' Aid society of Portland and through them find a place. The parents however, strenuously object to this course. It is held by the parents of the boys that their escapades have been prompted by older minds, while the authorities hold that the Wattenbergs have done the prompting themselves. Glenn Noble, held with the two, and his first appearance before the probation authorities will likely be given another chance. During the last two months many Medford families have suffered from bad boys stealing milk from their back porches, the boys drinking the milk on the spot and leaving the empty bottles. ENVOY JOHN LIND TO INSPECT FEDERAL LINES MEXICO CITY, March 22.—John Lind, President Wilson's envoy, may make a trip of observation over that portion of the Mexican republic controlled by the federals, as the result of a conference at Vera Cruz with the Mexican foreign minister, Jose Lopez Portillo Y. Rojas. The recommendation was made by the minister who said Lind seemed to be favorably impressed. GOMB SAGE TEA IN HAIR TO DARKEN IT Grandma kept her locks dark, glossy, thick with a mixture of Sage Tea and Sulphur. The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and felt as again using it to keep their hair in good, even color, which is quite sensible as we are living in an age when a youthful appearance is of the greatest advantage. Nowadays, though, we don't have the troublesome task of gathering the sage and the mossy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time, by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

PIER UNDERMINED WOODVILLE BRIDGE William Gerig, consulting engineer for Jackson county, at the request of the county court, Sunday examined the Woodville bridge at Rogue River, which had been reported as endangered. He states that the upper pier on the west side of the river did not rest upon a bedrock foundation, but upon loose rock that has since washed out, with the result that the pier has been partially undermined. This will necessitate a new foundation at low water period next summer. Meanwhile the bridge is safe for ordinary travel. He recommends that the bridge be painted at once and the bolts and rivets tightened. The bridge was built five years ago by Esterday & Earhardt of Portland. DITCHES AUTO TO SAVE DARK CAR COLLISION To avert a collision with an auto running with no lights but the side-lights Sunday night on the Ashland road, Herbert Alford of the First National bank clerical force drove his own car into the ditch, throwing his young lady companion to the ground and cutting her ear and inflicting a gash on his cheek. The car was not damaged. FREE London "Tango" Necklace "Evelyn Thaw" Bracelet These two beautiful pieces of popular jewelry are the craze among society women in New York, and the largest cities. Lockwood Chiropractor 203-206 Garnett-Corcoran Bldg., Phone 513 BEHLING'S "Good Fit" Shoe Store The Ladies of Medford Enhance Their Personal Charm By the use of Newbro's Herpicide It is a significant fact that Medford people use more Newbro's Herpicide than any equal number of people elsewhere. Desiring always to appear at their best the ladies of Medford have been quick to recognize the great excellence of Newbro's Herpicide as they know that its intelligent use will add more to the beauty of their hair than anything else. They are justly proud of the radiance and luster of their tresses made possible by having hair that is clean and healthy and a scalp free from dandruff. It is by saving and beautifying the hair growing on their own heads that the Medford ladies add so much to their personal appearance. Fifteen years ago Newbro's Herpicide was the only germ remedy for dandruff in America. At that time, both the remedy and the theory were ridiculed. But since then Herpicide has achieved an almost marvelous success and the story of its astonishing merit has penetrated to every corner of the Globe. Now the Herpicide claims and Herpicide advertising have been freely copied by the manufacturers of other scalp remedies. Bear in mind too, that during this change of front the remedies themselves have not been changed, simply the claims for them. Here is the point. Why should you experiment with something, claimed to be as good as Herpicide when genuine Herpicide, the Original Germ-Remedy, may be purchased in every drug and department store in Medford. The "just as good" kind is good for the substitute's cash register but is not good for your scalp. Applications of real Herpicide can be obtained at any good barber shop. Two sizes, 50c and \$1.00. Sold and guaranteed at all drug stores. A trial bottle, 10 Cents A Booklet FREE Send for both. SEE COUPON
