

SPEEDY ACTION NEEDED TO KEEP WEATHER BUREAU

To the Editor: Although I have left the Rogue River valley I still feel a deep interest in it and its future. I want to see it go ahead and maintain the lead it has over other sections in the northwest.

There are a number of young men in the service who could be detailed to take care of the station, but no one will be sent unless you make the effort to have the bureau recognize your needs.

I shall write a personal letter to Dr. Galloway, giving him the many reasons why the weather service should be maintained. Anything that I can do will be done.

Sincerely yours, P. J. O'GARA, San Francisco, March 22.
