

\$50 ROUND TRIP FROM OMAHA TO COAST IN 1915

SAN FRANCISCO, Cal., Mar. 26.—Railroad men at the Trans-Continental Passenger Agents' Association meeting here were working out today details of the general schedule of San Francisco exposition rates given out at the close of yesterday's session.

This schedule provided a one way first class fare for the round trip between Missouri river and other mid-continental base points of departure and California common points.

This would mean a \$50 round trip fare from Omaha, Kansas City, St. Joseph via Atchison to San Francisco, Oakland, Los Angeles or San Diego; \$57.50 from St. Louis to any of the California points named; \$59.25 from Peoria; \$62.50 from Chicago, and \$45 from Denver or Colorado Springs.

Other points in the vicinity of these base points will be given rates in proportion to their distances.

The sale of these tickets will begin March 1, 1915, and end November 30. The return limit will be ninety days.

For tickets carrying the holder one way by a northern or southern route the regular charge between San Francisco and the northern or southern point of arrival or departure eastward will be added.

Rates between the Atlantic and mid-continental points are yet to be fixed by the eastern passenger associations but it was predicted that the New York or Boston round trip would be from \$50.50 to \$55.

LAST APPEARANCE OF MASKED LADY

The mysterious lady in the black mask, or Madame, as she is registered and best known at the Medford hotel, will make her last appearance at the Page tonight and your last opportunity to see and hear one of the most remarkable women before the public.

She is not only a great dramatic soprano, but proved herself at the high school to be a close student, with a volume of knowledge as an orator and lecturer on such delicate subjects as hygiene of the voice, the definition of tone and vocal physiology.

During her thirty minutes' lecture at the high school Wednesday morning she picked up the different phrases pertaining to the voice and spoke very intelligently of the subject which she seemed to hold well in hand.

On her closing address she was given an ovation by the 300 or more students and very enthusiastically congratulated on her knowledge and donation of her services for such worthy educational move. U. S. Collins, superintendent of schools, and Mr. Isaacs, the professor of music, stated that her work in general deserves a volume of praise.

Possessor of a rich and beautiful voice of unusual power and rare coloring and a temperament seldom displayed by any of her rivals, the dramatic interpretation of her songs, her pathos, her emotion, brilliancy and the human depths of feeling with a touch of humor makes her almost irresistible.

BANDITS DYNAMITE SAFE AT CAMARILLO

VENTURA, Cal., March 26.—Bandits dynamited the safe of the Camarillo Commercial company at Camarillo, twenty miles from here, early today, secured between \$50 and \$100 in cash, a large amount in checks and notes which will not be negotiable, and escaped.

No trace of the burglars has been found.

MEDILL McCORMICK TO SPEAK IN MEDFORD

Bainbridge Colby of New Jersey, and Medill McCormick of Chicago, progressive party organizers will probably speak in Medford, April 15. F. W. Mears, chairman of the progressive county committee, has sent forward an invitation and as Mr. McCormick has a number of friends in the valley there is every reason to believe the invitation will be accepted.

On April 1, McCormick and Colby will be in Portland and the progressives in that city are planning a meeting and banquet when the various candidates will be announced.

JACK KOETTER'S LOVE LETTERS READ IN COURT

CHICAGO, March 26.—"Handsome Jack" Koetter's love letters from Mrs. Emma Kraft of Cincinnati, whom he is accused of murdering in a room at the Saratoga hotel here about a year ago, were read in court today. Koetter listened nervously. One letter, signed "From your sweetheart," begged Koetter not to be blue and downhearted and offered to come to him if he wished. Another complained that the writer was distracted because she had not heard from her "sweetheart."

A third—it could hardly be called a love letter—complained that it was her money rather than herself that Koetter sought. "You don't come and coax me now," it said. "You are enjoying yourself, since you got my money, with some other woman—the dancer of Ravine street. You have done nothing you said you would. All you were looking for was my money. If anything happens to me you are to blame."

There was a fourth letter written by Mrs. Kraft to Koetter's father, Bernard Koetter, charging that his son had taken \$800 from her and left Cincinnati.

WATTENBERG BOYS PAROLED TO FRIENDS

John and Kenneth Wattenberg, aged 16 and 12, will not be sent to the state industrial school, but will be given a chance on the farm, according to a decision reached by Judge Tou Velle this morning. John will go to the ranch of an uncle living near Montague, and Kenneth will be placed on the farm of Mrs. August Lawrentz on the Jacksonville road. This is in accordance with the wishes of the parents who did not want their offspring placed in a state institution for correction.

John and Kenneth have been listed by the authorities as the leaders of Medford's bad boys, and their escapades have brought them half a dozen times before the probation officers. Each time they promised to reform. This is the last chance they will be given.

Their parents and friends maintain that they are not bad boys at heart, but that older boys have induced them to commit wrongs, and that they are not as bad as painted.

SUFFRAGE WINS IN MASSACHUSETTS HOUSE

BOSTON, March 26.—By a vote of 68 to 69, the Massachusetts house of representatives today approved the proposed constitutional amendment eliminating the word "male" from among voters' qualifications. The amendment recently passed the senate 34 to 2, but must also pass the next assembly to become effective.

BAD CHECK ARTISTS ARE UNDER ARREST

Roy Fitzhugh and K. C. Goble who are alleged to have swindled B. S. Radcliffe and Slim Adams out of between \$200 and \$400 two weeks ago by cashing checks upon a Eugene bank in which they had no funds were arrested in St. Joseph, Mo., Wednesday for a similar offense, according to a telegram received last night by Chief Hittson. They were introduced to Radcliffe and Adams by J. K. Woods, the Owl organizer held in the county jail, awaiting trial for passing bad checks. Fitzhugh and Goble are wanted in Kingfisher, Okla., and St. Joseph, Mo., for bad checks, so it is unlikely they will be brought back for trial to this city.

Look! Look! Smoke Governor Johnson cigars, they're made in Medford, you'll like them.

You will be surprised at the QUICK action of Adler-I-ka. L. B. Haskins, druggist.

WOMAN ASSERTS EX-MILLIONAIRE IS A BIGAMIST

SAN FRANCISCO, Cal., March 26.—A woman whose name, for some reason, was not taken, applied today to the bond and warrant clerk for advice concerning the best method of getting a bigamy warrant for Walter Greer Campbell, the ex-millionaire, already under arrest in Portland, charged with passing a worthless check.

She did not actually apply for a warrant, but she did start an investigation into her insinuation. This inquiry revealed that Campbell really was married at Healdsburg in 1894 to Susie Barth, from whom, however, it was not known whether or not he was divorced. Even Mrs. Campbell did not know. Questioned, she said before she and Campbell were married he told her he had been divorced, explaining that the "papers were locked up," and he would show them to her in a few days. They were married and the papers were never shown to her, she said.

YEGGMEN DYNAMITE LOS ANGELES BANK

LOS ANGELES, Cal., March 26.—Yeggmens dynamited the outer vault of the Eagle Rock bank in Los Angeles city limits, early today and escaped with \$500 in gold and silver.

No attempt was made to blow the inner vault, which contained several thousand dollars in gold and currency.

Entrance to the bank was gained by "jimmying" the front door. Sheriff Hammel rushed to the scene with a finger print expert. He says that one of the most expert safe blowers in the world was released from an eastern penitentiary, and has been seen in Los Angeles recently.

Nitro-glycerine was used in blowing the vault door. The explosion aroused the neighborhood, but the bandits were gone before anyone arrived at the bank. It is thought they escaped in an automobile.

WOMEN WHO ARE ALWAYS TIRED

May Find Help in This Letter.

Swan Creek, Mich.—"I cannot speak too highly of your medicine. When through neglect or overwork I get run down and my appetite is poor and I have that weak, languid, always tired feeling, I get a bottle of Lydia E. Pinkham's Vegetable Compound, and it builds me up, gives me strength, and restores me to perfect health again. It is truly a great blessing to women, and I cannot speak too highly of it. I take pleasure in recommending it to others."—Mrs. ANNIE CAMERON, R. F. D., No. 1, Swan Creek, Michigan.

Another Sufferer Relieved. Hebron, Me.—"Before taking your remedies I was all run down, discouraged and had female weakness. I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash, and find today that I am an entirely new woman, ready and willing to do my housework now, where before taking your medicine it was a dread. I try to impress upon the minds of all ailing women I meet the benefits they can derive from your medicines."—Mrs. CHARLES ROWE, R. F. D., No. 1, Hebron, Maine.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

FARLOW RETIRES FROM CHURCH WORK

BOSTON, Mar. 26.—Widely circulated reports that he had resigned as chairman of the publication committee of the Christian Science church were denied here today by Alfred Farlow, who since the death of Mrs. Baker Eddy, has been regarded as the leader of the church. "I withdrew from active committee work three months ago," said Farlow. "I have since worked in an advisory capacity, through assistants. I have not severed my connection with the church but for two years have been endeavoring to retire from active committee work."

USE YOUR JUDGMENT! SAYS TAX COMMISSION

SALEM, Ore., Mar. 26.—In a statement issued today by the state tax commission, which held an informal meeting late yesterday, property owners are told they must exercise their own judgment in paying taxes. The board announced that it had not been advised that an appeal would be taken from the action of Circuit Judge Cleaton of Multnomah county in enjoining the collection of penalties until September 1 on the last installment of taxes. The board held that it could do nothing in the matter.

OPENS UP NOSTRILS, CLEARS HEAD, ENDS COLDS OR CATARRH AT ONCE

Instantly Relieves Swollen, Inflamed Nose, Head, Throat—You Breathe Freely—Dull Headache Goes—Nasty Discharge Stops.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning! the catarrh, cold-in-head, catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils, penetrates and heats the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops mucus discharges and a feeling of choking; soothing relief comes immediately. Don't lay awake to-night struggling for breath, with head stuffed, nostrils closed, hawking and blowing. Catarrh or a cold with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but fruitless. Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

Who is She?

Enthusiastically congratulated by two of Oregon's ablest instructors, U. S. Collins, high school superintendent and C. W. Isaacs, professor of music, after her half hour's lecture Wednesday morning, "Hygiene of the Voice," and "Vocal Physiology," expressed by these gentlemen as most capable contributor to the teacher and student, in the scientific art of singing.
