

FINE PROGRAM FOR COMMERCIAL BANQUET FRIDAY

The best ever is the promise of the committee having in charge the banquet and motion picture and vaudeville entertainment at Hotel Medford Friday night. One must see the excellent films secured by the state fish and game commission to appreciate the extent to which the moving picture art has been developed. Not only do they cover a most interesting phase of state work, but they are entertaining to the last degree. Moreover, they are the first moving pictures showing local scenes and citizens.

The vaudeville show promises to be fine. "The Queen of the Jai Isles" is a scream, the Yiddish cowboys, an act that would "get over" on any vaudeville circuit, and the singing-comedy duo by two of our best-known local funmakers, should be worth giving a long way to see. Miss Host Mohr promises a fine spread.

The Commercial club urges a general attendance. These social gatherings for business men are all too seldom and should be well attended when they are held.

ROUT UNEMPLOYED FROM LAST CAMP

SACRAMENTO, Cal., April 1.—"Liberty City," the last stand of the remnants of the unemployed army on the outskirts of this city, is no more. The remaining thirty members of the army, with spirits and skins dampened by the recent rains, have scattered and a number of their tents, flags and banners left on their suburban lot, have been taken to the county jail by deputy sheriffs.

For the last week the army has been subsisting mainly on mustard leaves found in the fields near their camp.

TATTOOED BANDIT FEARS LYNCHING AT MT. VERNON JAIL

MOUNT VERNON, Wash., April 1.—Protected by an armed guard against any attempt to lynch him, Charles Hopkins, the tattooed bandit, accused of three murders, and who has terrorized three counties for the past week, is today safely locked in the county jail here.

He was arrested yesterday at Van Horn, near Concrete, Wash., by Deputy Sheriff J. E. Glover while he lay asleep in a storeroom.

Hopkins was brought here last night on the same train which carried Sheriff Wells and George Ball, the Great Northern train robber suspect, who is also accused of a triple murder. All along the line from Concrete to Mount Vernon crowds gathered to see Hopkins, and the latter, at first exhibiting a spirit of bravado, invited them to "come and take a look at the animal."

When the party got off the train here several hundred people crowded the two blocks to the jail and both Hopkins and Ball showed extreme nervousness.

Hopkins was visibly affected and hastily inquired if there was any danger of being lynched.

"If there is," he said, "give me a 'gat.' All I want is an even break." When the jail doors closed on him, Hopkins laughed hysterically and Ball joined him in laughter shortly afterward.

Besides the charge that he killed two men on the railroad track near McMurray Saturday night, Hopkins also is charged with the murder of Charles Hodges in Seattle and with dangerously wounding three men in Everett.

In Hopkins' pockets were found several articles, which, according to Prosecutor Beagle, identify him positively as the perpetrator of Saturday night's shooting at McMurray.

Ball, the alleged train bandit, again denied any complicity in the fatal holdup February 20, and claims he will prove an alibi.

PLAN TO HASTEN ACTION IN SENATE ON CANAL TOLLS

WASHINGTON, April 1.—With the Panama canal tolls repeal resolution safely adopted by the house, 247 to 161, President Wilson today discussed with Senators Kern, James and others plans for hastening action on the measure by the upper branch of congress.

The senators' opinion was that under their house's rules, it will take at least six weeks to dispose of the resolution. The president was anxious to make better time than this, and it was understood he was likely to make a personal effort with friendly lawmakers to have the proposition pushed, in order to hasten adjournment.

It was admitted that certain of the senators hope to make 1914 campaign capital out of the tolls debate. Borah and LaFollette in particular having prepared long speeches against repeal. The president did not, however, look for any such display of bitterness in the senate as was shown during the debate in the lower house. Senators O'Gorman, Vardaman, Walsh and Chamberlain were considered the repeal resolution's principal democratic opponents.

The upper house had received the resolution, following its passage by the representatives and referred it to the canals committee which seven to four for and against the measure. The committee was expected to report it out without a recommendation in about a week.

According to President Wilson's supporters, a senate poll they had made, indicated a pro-repeal majority of nearly 2 to 1.

EMILE VEDRINES KILLED IN LOOPING THE LOOP

SIEGEL'S FRIENDS TO LOAN HIM MILLION TO START ANEW

NEW YORK, April 1.—Henry Siegel and Frank Vogel, two of the principal stockholders in the defunct Siegel Stores corporation, today were granted until April 8 to plead to grand jury indictments, returned in connection with the failure of the Siegel private bank.

It was predicted that a settlement would be made soon with the 15,000 depositors of the bank. Friends of Siegel are willing to back him to the extent of \$1,000,000, and if restitution is made it was not believed the prosecution of the two men would be pushed very vigorously.

Siegel has not yet been served with divorce papers, and refused to discuss the statement issued yesterday by Mrs. Siegel.

CHICAGO INTER-OCEAN TO BE SOLD BY COURT

CHICAGO, April 1.—The sale of the Inter-Ocean Newspaper company's property, now in the receiver's hands was ordered today by Federal Judge Carpenter. Bids will be opened Monday and will be made returnable to Judge Carpenter April 13.

CHILD MOTHER TELLS STORY OF EATING POISON

SAN DIEGO, Cal., April 1.—With her baby by her side, little Lillian Palmer, 14, lies at a local hospital today, still ignorant of the fact that Philip Kilfoil, the alleged father of her child, has charged that the girl mother poisoned his sister, Mary Kilfoil, on January 2.

The Palmer girl has not been told of Kilfoil's assertion. By careful questioning, however, her mother, Mrs. P. L. Blaine, has drawn from the girl a complete story of the events at the Kilfoil home on the day Mary drank the poisoned chocolate. The girl declares that not only the chocolate tasted bitter when they drank it, but that oranges and toast had the same bitter taste. All at the breakfast table became ill, she said.

"Then Julia Kilfoil got frightened and called a doctor," the girl told her mother. "He gave us some medicine, but we got worse."

Mrs. Blaine declares Lillian is absolutely innocent of any connection with the poisoning.

Both Lillian and her baby will recover, physicians said today.

MEN AND WOMEN CAN SAVE THEIR HAIR WITH HERPICIDE

No woman should have poor, thin, scraggy hair, and no man need become bald. Poor hair and final baldness are due to the dandruff germ.

Newbro's Herpicide will destroy dandruff and stop the hair from falling. Further evidence of this is found in a letter from Mrs. F. Nelson, of Tomah, Wis. She says: "I fought the worst kind of dandruff for nine years. I have been using Herpicide now one week and my scalp is healthy, the dandruff has gone and the itching has stopped. It is the best remedy for scalp diseases I ever saw, and I have seen many."

Don't subject yourself to discoloration and expense by accepting something claimed to be "just as good" as Newbro's Herpicide. These off brands may possibly be good, but why take chances? The genuine and original dandruff germ destroyer can always be obtained. It stops itching of the scalp almost instantly.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Send 10c in postage or silver for sample and booklet to The Herpicide Co., Dept. R., Detroit, Mich. Applications at good barber shops.
