Good Time Now For Blood Health

Energies Are More Keen and Respond Quickly to Help.

If you are down with rheumatism; if you sneeze, feel chilled, are choked with catarrh, have a cough, or your skin is pimply and irritated with rash, eczema, or any other blood disorder just remember that all the ills of life come from impure blood. And you can easily give your blood a good thorough cleansing a bath by using S. S. S. There is no need for anyone to be dependent over the illness of blood impurities. No matter how badly they attack the system, or how unsightly becomes the skin, just remember there is one ingredient in S. S. S. that so stimulates the cellular tissues throughout the body that each part selects its own essential nutriment from the blood.

This means that all decay, all breaking down of the tissues, is checked and repair work begins. S. S. S. has such a specific influence on all local cells as to preserve their natural welfare and afford a proper relative assistance to each other. For many years people relied upon Mercuric Iodide of Potash, Arsenic, "Pills," Cathartics and "Dope" as remedies for blood sickness, but now the pure vegetable S. S. S. is their safeguard.

You can get S. S. S. in any drug store, but insist upon having it. And you should take no chance by permitting anyone to recommend a substitute. And if your blood condition is such that you would like to consult a Specialist, freely address Medical Dept. The Swift Specific Co., 218 Swift Bldg., Atlanta, Ga.
