Assurances that the department of agriculture will send a competent weather forecaster to this section, and that the weather station will be permanent was received this morning by Secretary F. W. Streets of the Commercial club in a telegram from Congressman W. C. Hawley. This step is the result of a resolution passed by the Commercial club directors urging upon Washington, D. C., the necessity of a permanent weather station at this place in connection with the fruit industry.

The telegram is as follows: Washington, D. C., April 11. F. W. Streets, Commercial Club, Medford, Ore. ## FINE DAY FOR EASTER IN PROSPECT

Bright sunshine and blue skies are the promises of the weather man for Easter Sunday, with a warning to the orchardists to be on the watch for a visit from Jack Frost in the early hours of tomorrow morning. Saturday morning the temperature dropped to 34 degrees, and most of the growers were watching closely the mercury, and were ready to light the smudge pots.

Today's ideal spring weather, after a soaking rain, filled the streets with country people and brought on the advance showing of Easter hats and gowns. Many grazed up their autos and took down the fish poles for a trip to the country and the rivers and streams tomorrow.

## LOST HEIRESS WITH PARENTS

(Continued from page 1.)

Examination of the monster twin furnaces in the hospital basement revealed the fact that they were connected like those in a crematory and so arranged that the odor from the burning bodies would not be noticed.

**House of Mystery**  
A tan fur coat and a black handbag found by the police at the hospital, or the "house of mystery," as it is beginning to be called, were identified by four persons today, according to Jackson, as those of Miss Myrtle Allison, the girl supposed to have died in the hospital from the effects of an illegal operation a year ago.

But her jewels were missing. Chief of Detectives Clark was investigating today the death at the hospital the day after Miss Allison was taken there of a Mrs. Davis, one of the patients mentioned by Dr. H. E. Lutz, Meredith's assistant, in his confession. O. J. Goetz, the undertaker who buried the body, was questioned by the district attorney and it was thought likely the corpse would be exhumed for examination.

**Hearing Set for Tuesday**  
Dr. Meredith's hearing was set for next Tuesday. He was charged with performing an illegal operation on Miss Allison and with the theft of her belongings. Meredith and Nurse Lucy Orr were out on bail.

Accompanied by H. L. Baxter, Mrs. Myrtle Allison's brother, Undertaker O. J. Goetz, who buried the woman's body in the United cemetery, in March, 1913, started to exhume it.

## The New Baby is World's Wonder

Every tiny infant makes life's perspective wider and brighter. And whatever there is to enhance its arrival and to ease and comfort the expectant mother should be given attention. Among the real helpful things is an external abdominal application known as "Mother's Friend." It is so well thought of by women that most drug stores throughout the United States carry "Mother's Friend" as one of their staple and reliable remedies. It is applied to the abdominal muscles to relieve the strain on ligaments and tendons.

In a little book are described more fully the many reasons why "Mother's Friend" has been a friend indeed to women for more than two generations. This book was prepared not only to aid the inexperienced but to enable so many women to have at hand the timely hints, suggestions and helps in concise and neatly printed form for ready reference. It should be in all homes. "Mother's Friend" may be had of almost any druggist but if you fail to find it write us direct and also write for book to Bradford Regulator Co., 203 Lamar Bldg., Atlanta, Georgia.

## ORATORIO CRUCIFIXION RENDITION ENJOYED

A splendid musical entertainment was given in the Methodist Episcopal church of this city last evening. The rendition was that of Stainer's "Crucifixion" and was given by the choir of this church. This is the first time this oratorio was ever heard in Medford, and it made a profound impression on the large audience present. The choir wore vestments and in every way acquitted themselves in splendid manner. In fact, from a musical standpoint their rendition of this difficult oratorio would have been a highly creditable performance for choirs equipped with all professional talent. Every member rendered their part in such a manner that it must have been a source of great pleasure to their able director, F. C. Edmeads. Miss May Vrooman, the pianist, sustained her difficult role admirably. The audience crowded every part of the auditorium and the financial returns were large.

**TOKIO, April 11.**—Count Okuma today accepted the premiership. An extreme liberal and an avowed opponent of any program calculated to increase the present taxation rate, he is one of the most popular men in Japan, and news of his appointment was received with great enthusiasm. On the ruling classes' part, however, it was a complete surrender to public opinion.

## NEWBRO'S HERPICIDE SAVES THE HAIR

And Keeps You Looking Young.  
Don't look older than you are. It is just as easy to look younger. While lack of hair or poor hair is not always an indication of age, it is frequently accepted as such.

A person well advanced in years possessing a good head of hair is always spoken of as "well preserved."

Everyone can retain beautiful, luxuriant hair if they make the effort. In almost every instance poor hair or the loss of hair may be traced to the activity of the dandruff germ. Newbro's Herpicide prevents the scalp-like accumulation and puts the scalp in a perfectly healthy condition. With the elimination of the dandruff the hair no longer drops out. The itching of the scalp stops almost at once.

Newbro's Herpicide is the remedy for which there are many substitutes, preparations claimed to be "just as good." You don't have to accept a substitute. Insist upon having genuine Herpicide.

Newbro's Herpicide in 50c and \$1 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications obtained at good barber shops. Send 10c in postage to The Herpicide Co., Dept. R., Detroit, Mich., for sample and book.
