SAGE TEA DARKENS

HAIR TO ANY SHADE

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell cut or took on that dull, faded or streaked appearance, this sim-ple mixture was applied with wonderful

But brewing at home is mussy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Rem-"Wyeth's Sage and Sulphur Hair Rem-edy," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair. A well-known downtown druggist says it darkens the hair so naturally and

evenly that nobody can tell it has applied. You simply dampen a spong or soft brush with it and draw thi through your hair, taking one strand at a time. By morning the gray hair dis-appears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.
