

THREE COUNTIES TO BOOST SOUTHERN OREGON SCENERY

The tri-county convention and banquet called by the Medford Commercial club to promote the development and advertising of southern Oregon beauty spots, will be held here Tuesday, April 28. A joint committee meeting, consisting of delegates from Ashland, Klamath Falls, Grants Pass, Rogue River, Gold Hill, Central Point, Jacksonville, Talent and Medford will be held Tuesday afternoon preceding the banquet, to devise ways and means to advance the purposes of the convention.

In the evening a fine banquet and entertainment will be held at Hotel Medford.

Klamath Falls wires that a special car with fifty boosters from that city will attend. All the other cities have accepted the local club's invitation, and one of the largest and most important get-together meetings ever held in this part of the state.

\$400,000 LOSS IN PASADENA HOTEL FIRE

PASADENA, Cal., April 20.—Estimates today place the loss to guests at \$400,000 as a result of Saturday night's fire which destroyed the Hotel Maryland here. More than two hundred guests were in the big building and most of them lost the greater part of their personal effects, including expensive jewelry valued at many thousands of dollars.

The loss on the building and furnishings is about \$450,000 and to shops \$75,000. Investigation today failed to reveal the origin of the fire.

D. M. Linnard, manager of the hotel, announced that he hoped immediately to finance the construction of a fireproof structure to take the place of the building which was totally destroyed.

The Maryland bungalows, in the rear of the hotel, were not damaged.

DOUGLAS ASPIRANTS FOR NOMINATIONS

ROSEBURG, Or., April 20.—Not a woman or a progressive is an aspirant for a nomination for a Douglas county office. The candidates are:

For judge, republicans, R. W. Marsters and D. J. Stewart, Roseburg. Commissioner, republicans, J. S. Wiley, Myrtle Creek, and B. F. Nichols, Riddle; democrat, T. C. Shaw, Canyonville. Sheriff, republican, George K. Quine, incumbent; democrats, R. T. Ashworth, Roseburg, and Ed Singleton, Roseburg. County clerk, republican, Benjamin Huntington, Yoncalla; democrat, Ed Lenox, incumbent. County treasurer, republican, James E. Sawyers, incumbent; H. T. McCallen, Roseburg; democrat, K. Mears, Myrtle Creek.

INDUSTRIAL WORKERS THREATEN A STRIKE

NEW YORK, April 20.—That there will be a general strike of the industrial workers of the world if necessary to prevent war between the United States and Mexico and that the United Mineworkers of America will join it was declared here today by William D. Haywood, the I. W. W. leader.

"Better be a traitor to your country than a traitor to your class," he said. "If war seems certain, the workers will simply fold their arms and there will be no war."

TROOPS AT GALVESTON ORDERED IN WARSHIPS

HOUSTON, Texas, April 20.—All troops at Galveston were ordered on board the transports today. The Fifth Brigade was en route to join them. The Fourth and Sixth Brigades, on the march, will reach Texas City from here Wednesday noon.

Notice I. O. O. F. Meeting Monday evening at 8 p. m. Work in initiatory and second degrees. All requested to attend. E. E. WILSON, Sec.

PRESIDENT SHOWS GREAT STRAIN ON RETURN TO CAPITAL

WASHINGTON, April 20.—President Wilson showed plainly today the effects of the strain he has been under since the Mexican situation became acute.

There was a great throng at the railroad station to see him when he stepped from a private car on his return from White Sulphur Springs today, but the chief executive scarcely seemed conscious of it. His expression was grave and stern.

Never effusive, he is customarily quietly affable, but today, when the crowd cheered him with unusual enthusiasm, he did not even return the salutation, but walked straight to his automobile and was whirled to the white house.

At the cabinet meeting it was said the probable attitude of the Mexican rebels in connection with the dispute with Huerta was thoroughly threshed out, though what decision, if any, was reached was not immediately announced. It was known that, from some quarters, the president had been urged to recognize the constitutionalists' belligerency.

It was also reported that he had been strongly urged to hand his passports to Charge Algara of the Mexican embassy here, telling him that he is no longer considered part of diplomatic Washington.

STATE GAME BOARD APPROVES BUDGET

PORTLAND, April 20.—The state fish and game commission held an executive session Friday.

Before going into executive session the commission agreed upon the following budgets:

Biological and educational department, \$19,500; state game wardens, \$42,000; salmon patrol work, district No. 1, \$35,000; district No. 2, \$24,000; superintendent of hatcheries for salmon work, district No. 1, \$18,155; district No. 2, \$18,500, and for trout propagation, \$22,500; for biological and educational work, \$19,500.

A motion that the trout hatchery at Spring Creek, Klamath county, be placed under the care of the state game warden was defeated. Mr. Kinney opposed the reappointment of Superintendent of Hatcheries Clanton, but the other commissioners said that Mr. Clanton was the most competent man obtainable for the position.

A reward of \$1 was offered for a fin of each salmon marked with a silver wire by the United States bureau of hatcheries, liberated in 1911, caught in the Columbia river.

HOOD RIVER CROPS PROSPECTS EXCELLENT

HOOD RIVER, Or., April 20.—With the lower valley apple district bursting into bloom two weeks ahead of last year, experts are busy forming estimates of the crop of this fall. While the estimates are indefinite, all agree that the tonnage will be far in excess of the approximate 800,000 boxes of the past year. The crop of the year will be between 1,000,000 and 1,500,000 boxes.

"All indications are good," says H. F. Davidson, president of the North Pacific Fruit Distributors, who has left for Spokane with Wilmer Seig, distributor sales manager, to lay plans for the marketing of fruit crops of the year. "From the orchards that I have seen we are going to have a reverse of conditions of last year, when the Newtown and Pippins were light bearers. The Newtowns will be heavy this year, while the Spitzburgs will produce less heavily. The heavy rains of recent date will cut down the pears and cherries."

AVIATION CORPS READY FOR MEXICAN WAR

SAN DIEGO, Cal., April 20.—In response to an inquiry from the chief signal officer at Washington, Captain Cogen, in charge of the army aviation camp here, notified the war department today that four highpowered aeroplanes, fourteen officers and 65 men are ready for service. Bomb dropping and similar practice was continued at North Island today while orders were awaited.

EDITOR DRAGGED ABOUT TOWN WITH ROPE AROUND NECK

MONROVIA, Cal., April 20.—Eight young men are under arrest today charged with assaulting C. N. Whitaker, editor of the Monrovia Messenger. Whitaker alleges that he was seriously beaten and threatened with lynching. The attack was the result of articles printed in the Messenger, in which prominent citizens and public officials were named.

According to Whitaker's story, he was thrown into an automobile, taken out of the city and stripped of his clothes and dragged about with a noose about his neck. Some of his teeth were missing today and he was fearfully bruised.

The entire community has taken sides over the affair, and county officials have been asked to launch a grand jury investigation.

City Clerk Margetts was among those arrested. He is said to have taken offense at a Messenger editorial that referred to him as "an erratic cuss who has spent his years riding in a rickety laundry wagon collecting diapers and had been elevated to a man's job."

CLACKAMAS TO VOTE \$600,000 ROAD BONDS

OREGON CITY, Or., April 20.—The county court designated the trunk roads for a "permanent" hard surface improvement if the \$600,000 bond election carries May 15.

They are the Gray's Crossing road, from the Multnomah county line to Oregon City via Clackamas, seven miles, \$75,000; Oregon City to Canby, nine miles, \$75,000; Canby to Marion county, four miles, \$32,000; Maeksburg, Canby and Needy road, eight miles, \$64,000; Oregon City to Molalla, 15 miles, \$90,000; Beaver creek to Oregon City six miles, \$30,000; Oregon City to Redland, nine miles, \$50,000; Clackamas to Baker's bridge, four miles, \$25,000; Damascus to the intersection with the Clackamas road, three miles, \$18,000; Boring to Sandy, six miles, \$30,000; Willamette to Stafford, four miles, \$24,000; Oswego to the Multnomah county line, three-fourths mile, \$6,000; Milwaukie to the Multnomah county line, one mile, \$10,000, and Baker's bridge to Logan, five miles, \$25,000.

GATES BAR CROWD FROM CAPITOL HALLS

WASHINGTON, April 20.—Such a crowd was expected today at the capitol to hear President Wilson's address to congress that wooden gates were being put up at all entrances to control the people. The general public was to be barred and cards were prepared for special guests.

As a preliminary to hearing the message, Chairman Flood of the house committee on foreign relations called a committee meeting. He also held a conference with Congressman Underwood, the democratic floor leader.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then set fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

AMERICANS IN MEXICAN CAPITAL IN GRAVE DANGER

NEW YORK, April 20.—The possibility of an uprising against the Americans in Mexico was probable, contained in a United Press cable message from Mexico City today.

"Send American forces soon. The Mexican forces already have a bigger job than they can handle. It soon will be too much hard work for them to cope with the situation in Mexico City alone."

Following this message, ambiguously phrased so as to escape the censor, was an unceded and uncensored dispatch stating the exact situation and telling of the exodus of Americans to Vera Cruz.

BRONCHITIS SUFFERER

Takes Druggists' Advice With Splendid Result

If any one should know the worth of a medicine, it is the retail druggist who sells it every day in the week and is in a position to know what remedy gives the best satisfaction.

Mrs. Frank H. Uline of West Sand Lake, N. Y., says: "For years I was a great sufferer from bronchitis. Last July I had a severe attack and my friends thought I could not recover from it. Then I was advised by my druggist to try Vinol, which I did with wonderful results. My cough has left me; I have gained in weight and appetite and I am as strong as ever I was. I advise all who have bronchitis, chronic coughs, or who are run-down to try Vinol." It is the combined action of the medicinal curative elements of the cod's liver, without oil, aided by the blood-making and strength-creating properties of tonic iron that makes Vinol so efficient in such cases.

Remember, we guarantee Vinol to do just what we say—we pay back your money if it does not. Medford Pharmacy, Medford, Ore.

P. S. Stop scratching, our Saxon Salve stops itching. We guarantee it.

Rheumatic Throat Is Common Trouble

Should Be Treated in Blood To Prevent Recurrence.

There are successful gargles that stop soreness in the throat, but to prevent their incessant return, the blood must be put in order. The best remedy is S. S. S., as it influences all the functions of the body to neutralize the irritants or waste products and to stimulate their excretion through the proper channels.

Rheumatic sore throat is a dangerous indication, as it means that the blood is loaded with more uric acid than the kidneys can excrete, and may thus lead to serious general disturbance.

The action of S. S. S. stimulates cellular activity. It prevents the accumulation of irritants in local spots. It enables the arteries to supply quickly the new red blood to replace worn-out tissue.

For this reason uric acid that finds the throat an easy prey to its breaking-down influence, is scattered and eliminated, in other words, S. S. S. prevents chronic conditions by enabling all the mucous linings of the body to secrete healthily. Its influence is shown in a marked improvement of the bronchial tubes, whereby the hoarseness of voice with thick, grayish expectorations is overcome. S. S. S. well diluted with water, means a blood bath, since it is welcome to any stomach and at once gets into the blood.

S. S. S. is free of all minerals and contains ingredients wonderfully conducive to well-balanced health.

You can get it at any drug store, but do not accept anything else. There is danger in substitutes. S. S. S. is prepared only by The Swift Specific Co., 528 Swift Bldg., Atlanta, Ga. Our Medical Dept. will give you free instruction by mail on any subject of blood disorders. Write today.

SAM W. SMALL At Page Theater Tuesday, April 21 7:30 P. M. ADMISSION FREE

The famous Southern Evangelist, Editor, and Lecturer, called "A Prince of the Platform," has given the fullest satisfaction wherever he has lectured, in courses or at Chautauquas. Committees invariably report that "he made good" in every particular.

Dr. Small is a man of exceptional attainments. He was born in Knoxville, Tennessee, in the city founded by his family forebears; graduated with high honors from Emory and Henry Colleges in Virginia, and after admission to the bar in Tennessee became private secretary to ex-President Andrew Johnson and followed that statesman's political fortunes to the United States senate. He holds the literary degrees of A. B. and A. M. from his Alma Mater; Ph. D. from Taylor University, and D. D. from the Ohio Northern University. He is a trained journalist, many years editor of leading southern newspapers, principally with the noted "Atlanta Constitution." He is the author of several books. By appointment of President Hayes he served as a secretary of the American commission in Paris in 1878, and as a delegate from this country to the International Literary Congress of that year. He has served in many notable national conventions of political, commercial, and reformatory character. While in the United States army in Cuba in 1899 he was Military Supervisor of Public Instruction, engaging in the re-organization of the public schools of the island.

WESTON'S CAMERA SHOP

Recently remodeled and enlarged, added new cameras and apparatus and is now strictly up-to-date in every way.

Commercial Work of all Kinds

Including copying and enlarging of pictures, legal documents, etc. Bromide enlarging, any size, and kodak finishing of every kind.

A CAR DESIGNED FOR THOSE discriminating buyers who yet must consider the pocketbook—or who, able to pay more, don't choose to—and who want a light family touring car of ample power to go anywhere; of reliability that guarantees a pleasurable return without road troubles of any kind.

A CAR THAT WILL PERFORM; but also a car that looks the part; a car for the man who considers his automobile an everyday necessity and who counts the cost. A car that is economical in cost of upkeep—gasoline, oil and tire consumption.

YOU HAVE OFTEN SAID that you would be willing to pay a little more for a car that looked a lot better.

THIS IS THE CAR. It has been designed from your standpoint—for thousands of others have expressed the same desire you expressed.

AND IT'S MADE JUST AS WELL as it's designed. Every ounce of metal that goes into it has been specified by our chief metallurgist, after the most exhaustive analyses and tests to determine the kind of metal—and alloy and heat treatment that would best meet the requirements and perform the functions of that particular part.

BETTER MATERIAL does not enter into the construction of any car on earth at any price; for here is the best the science of metallurgy and automobile construction knows.
