

VILLA TO LEAD REBELS IN ATTACK AGAINST SALTILLO

EL PASO, Tex., April 27.—General Villa showed no inclination today to let promised mediation between the Washington administration and President Huerta interfere with the Mexican rebels' anti-Huerta campaign.

His first business would be to confer with General Carranza, he said, just before he left for Chihuahua City. After that, he explained, he intended to take charge personally of a rebel movement against Saltillo, one of the towns it is necessary for the constitutionalists to capture before advancing on Mexico City.

El Paso was delighted at the news that the 5000 Mexican federal prisoners held at Fort Bliss were to be transferred to Fort Wingate, N. M. They have been a constant menace to El Paso's peace and a source of much worry to the American residents. Arrangements have been made to transfer them Wednesday.

FIGHTING GREEK CHALLENGES BUD

When the cloud of smudge smoke cleared away this morning it left in our midst no less a personage than "Kid" Mitchell, "the Fighting Greek," of Chicago. The "Kid," who, despite his somewhat convincing "moniker," looks like a peaceable citizen, wants to fight and shows rare judgment in the selection of his opponent.

Mr. Mitchell appeared at the Mail Tribune office bright and early this morning and left a document which, after careful examination, proved to be a challenge to poor Bud Anderson for a twenty-round match. Mr. Mitchell did not state just where he wished the match to take place, but said that if he was successful in obtaining the match that he and his manager would be "tickled to death" or words to that effect.

MILLION TROUT EGGS FOR SEASON FUR ROGUE RIVER

Henry O'Malley, former state superintendent of hatcheries for the United States bureau of hatcheries, who was recently promoted to have charge of the Pacific coast bureau of fisheries, left for California Monday after a visit to the Elk creek hatchery with C. P. Henkel, recently in charge of Alaska hatcheries, who succeeds Mr. O'Malley, whose future headquarters will be at Seattle.

Hugh Mitchell, who until recently had charge of Rogue River hatchery work, has been promoted and ordered to California. He will be succeeded by Arch Cappelle, now stationed at Leadville, Colo., who will arrive here shortly.

Mr. O'Malley reports that the take of steelhead eggs this season has been unusually light, owing to unfavorable water conditions, and that only about 1,100,000 eggs have been taken. These will probably be supplemented by 500,000 from other rivers and the entire output kept until attaining the fingerling stage before release.

LEACH CROSS TO FIGHT FREDDIE WELSH

LOS ANGELES, Cal., April 27.—Leach Cross and Freddie Welsh are resting today before their preparatory work for their scheduled twenty-round bout at Vernon tomorrow night. Welsh probably will enter the ring a slight favorite, but considerable Cross money has appeared during the last two days.

Both boys entertained large crowds at their camps yesterday, when they went through their final workouts. Each appeared to be in good shape. Cross, particularly, showing up better than usual in a physical way.

Willie Ritchie will be at the ring-side tomorrow night. Tom McCarry, promoter of the bout, has not given up hope of landing the champion for a July 4 bout here with the winner.

STRIKERS PLAN TO GIVE BATTLE TO STATE TROOPS

CANYON CITY, Colo., April 27.—Strikers were entrenching at Chandler, seven miles away, and 200 soldiers, commanded by Adjutant General John Chase, were en route for that point today. Eight hundred striking coal miners, heavily armed and with plenty of ammunition, were prepared to fight the troops.

The miners captured the Chandler coal camp of the Victor-American Fuel company yesterday after an all-day battle. Estimates of the fatalities ranged from four to thirty. Those reported dead were:

Charles King, a guard; Engineer John Thomas, Robert Prince, Charles Dinich.

All telephone and telegraph wires to the scene of the conflict were cut and it was impossible today to get details of the exact situation. Heavy explosions were heard last night at the Chandler and Royal George mines. It was believed here that the strikers had dynamited the Chandler tippie and had attacked the Royal George mine.

A refugee arrived here today from Chandler. He charged the strikers had used the recent truce to gain points of vantage and had then fired on the guards and captured Chandler. The strikers, he asserted, were wearing Red Cross badges. Mozart Lewis, pit boss at the Chandler mine, says the guards surrendered when they exhausted their ammunition. He declared eight mine guards were missing and also believed that a number of strikers were slain.

It Theater Special.
The biggest motion picture ever produced is put out by the Mutual Film corporation of New York City, "Our Mutual Girl." Norma Phillips, a fifty-two-reel series, to be shown one each week, at the It Theater, on every Monday and Tuesday, will start today. She sees New York styles in reel No. 1. Three other reels including a Keystone comedy, fill the bill.

FINE PROGRAM COMMERCIAL CLUB BANQUET TUESDAY

A splendid program of toasts and vaudeville entertainment has been arranged for the big banquet to be held at Hotel Medford tomorrow night. Representatives from Portland, Ashland, Klamath Falls and Grants Pass will discuss a movement of vital importance to southern Oregon. Manager Mohr of the hotel is arranging for a crowd that will tax the capacity of his spacious dining rooms. The occasion will probably see the most general attendance from neighboring cities of any ever held here.

The Commercial club invites citizens generally to attend and promises a splendid time.

The banquet is called for 8 o'clock sharp. Tickets 75 cents.

PROBE FINANCES OF TWO WESTERN ROADS

WASHINGTON, April 27.—Investigation of the financial affairs of the Pere Marquette and Rock Island railroads was ordered today by the interstate commerce commission. The house commerce committee recommended that the probe start at the earliest possible moment.
