

### SOLD WRAPPING PAPER FOR MEAT

Manager Nedd of the Union Meat company was bound over to the grand jury in Justice Taylor's court this morning to answer a charge of violating the short-weight law by including one pound and seven ounces of wrapping paper in the weight of an order of bacon.

The meat company was represented by Attorney W. L. Vawter, and the case will in all probability be carried to the supreme court, where the law will be tested.

### LOCAL JAPS AID QUAKE SUFFERERS

Japanese of Medford and the Rogue River valley are now spending their cash with the freedom of a month ago. Instead of the coin formerly devoted to billiards, pool, their chief form of amusement, and ice cream is being sent to relieve victims of a recent devastating volcano in their home land. Every dime they can rake and scrape above actual living expenses is being sent across the Pacific to buy rice and clothes for the stricken countrymen.

The tightening of wallet strings of the little brown men was noticed by local merchants, who thought some kind of a boycott was on, for the Mikado's subjects are willing and easy spenders. An investigation developed the fifty Japanese in this city were responding to charity and sticking together like the Dutch.

### COMPLETE BULLIS TROLLEY TO RESERVOIR

The extension of the Bullis street car line to the city reservoir is expected to be completed by May 15, the principal work to be completed being the stringing of the wires. C. G. Bullis said that he expected the work to be completed so the car would run over the new line a week from Sunday, but did not care to make a definite statement to this effect.

The Bullis operations at the Sterling mine will be under way when the pipe line is completed. Difficulty was experienced in getting workers to rivet the pipe, two crews from Portland being brought down for the work.

### MEDFORD TO PLAY GOLD HILL SUNDAY

Gold Hill and Medford will play at the ball park tomorrow afternoon in the second game of the series in the Rogue River valley league. Lesh will pitch for Medford and will be caught by Murphy. The teams are rounding into shape fast, and the hot weather has limbered up the muscles of the athletes, and a good game is the assurance to local fans, who have not warmed up with accustomed vim so far this season.
