by all present, and was conferred in a very creditable manner. Isaac Best of Grants Pass acting W. M., gave the lectures and eulogies in a manner that was a credit to himself and his lodge, and the floor work was exceptionally good.

mony that is prevailing in Ashland Lodge, No. 35, A. F. & A. M., and only proves that unity is strength. They further reported that their Tyler would have also been present except for the fact that he was confined at the hospital. This is a record that any lodge can be proud of on the occasion of a visitation to another lodge. A splendid banquet was served in the banquet hall, which all took of freely. After supper lodge was called to order and some very interesting remarks were made by the brothers and visiting brothers, after which all departed for their homes.
