PROVISIONAL RULE FOR MEXICO: ELIMINATE HUERTA

WASHINGTON, May 13.—The elimination of General Huerta and the establishment of a provisional government in Mexico, in which both the Huerta and the constitutionalist factions would be represented is contemplated in a plan which the three South American mediators now are working out to be proposed for the solution of the entire Mexican problem.

This, the first intimation as to the details of the mediation plans, became known tonight, although neither the mediators nor state department officials would make any statement as to how nearly complete is the plan to be submitted to American and Mexican delegates when they meet the South American envoys at Niagara Falls, Canada, next Monday. It was learned the proposal might be the setting up of a temporary government be undertaken by a commission composed of five persons two of them to be named by Huerta, two by the constitutionalists and the fifth by the mediators.

DICTATION RESENTED

(Continued from page 1.)

governor if that nominee is not his choice. The federal officerholder who stands sponsor for him has registered as an independent. This federal officerholder, Frank S. Myers, now postmaster here, boldly asserts that he is a democrat and for the work that he did for the party.

Activity Resented

Decent democrats who are democrats from principle resent this activity of Myers and it is doubtful if his future aspirations will ever mature. John Manning, a dyed-in-the-wool democrat, so far takes offense that he has instructed all his workers, and he has an effective volunteer organization, to get out and see that Canon gets a majority in Multnomah county.

In the race for the democratic nomination for governor, a poll of 6067 taken in several precincts of each of 20 counties in the state showed, Smith to be the choice of 2052; Bennett, 1307; John Manning, 1933; Miller, 697; Cobb, 59. This is exclusive of Multnomah county, which is conceded to Manning.

The political student who does not permit his personal preference to warp his judgment realizes that from present conditions Smith will reach Multnomah county leading Manning.

Between Smith and Manning

The nomination depends altogether on the size of that lead, as Manning's friends are freely offering to wager that he will carry Multnomah by 2000 over Smith, with no takers. This estimate is made upon the presumption that 10,000 democratic votes will be cast in this county, with a registration of 17,000. In Multnomah two-thirds of the registered voters usually attend the primaries, while only 30 per cent of the outside registration votes.

The democratic nomination, from reports from every precinct in the state, indicate beyond doubt that the contest lies between John Manning and Dr. Smith and democratic voters can take their choice. Judge Bennett is strong in spots, but his following is scattered, and, however much one dislikes this state of politics, the conditions are here and will not be changed unless a very unlikely political upheaval occurs within the next week.

Majority Leader Underwood explained that the work of the session was being curtailed "in the hope of an adjournment of congress by July 19." President Wilson suggested to House leaders who called upon him earlier in the evening that no attempt be made to pass rural credits during the present session.

FOR CHRONIC COUGHS

Milton, Pa. Woman Has Found a Remedy. Mrs. Howard Wagner of Milton, Pa., says: "I had a bad cold for months, and would cough every night until midnight. I consulted a doctor and took two kinds of medicine but got no relief. Vinol was recommended and after taking it a week I could sleep all night without coughing once. I continued its use and now have a fine appetite, never felt better and my cough is entirely gone."

It is a well known fact that when a person is run-down, stomach out of order, or the system overloaded with waste matter, vital resistance is lowered and colds and coughs are easily contracted. The safest and surest method we know to overcome this condition is by taking our delicious cod liver and iron tonic, Vinol. In the most natural manner Vinol tones up the digestive organs, promotes a hearty appetite, enriches the blood, and as a specific for chronic coughs, colds and bronchial troubles Vinol is unexcelled.

NEWBRO'S HERPICIDE SAVES WORRY, SAVES MONEY, SAVES THE HAIR

If you want to free your head of dandruff and stop falling hair, you must sooner or later resort to Newbro's Herpicide.

By using Herpicide first you save yourself worry, which is desirable, you save money, which is a consideration, and you save your hair, which is the most important of all.

Why not profit by the experience of Mrs. S. A. Lee, of 110 South 4th St., Richmond, Va., who writes:

"Four years' residence in India ruined my hair until it was but two inches long and very thin. I tried everything in Europe and America without benefit until I was induced to use Herpicide. My hair is now long, soft and silky and natural color, while before it was quite gray. My friends never tire of admiring my hair."

Mrs. Lee's story is a typical history of hair troubles. After everything else fails Newbro's Herpicide brings relief. It would be just as effective if used first.

Newbro's Herpicide makes the accumulation of dandruff impossible and prevents falling hair. It stops itching of the scalp almost instantly. No matter what the cause of others, Herpicide is the only genuine original dandruff germ destroyer.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications at good barber shops. Send for free sample bottle to The Herpicide Co., Dept. H., Detroit, Mich.
